The Influence of Music on the Development of the Church of God (Cleveland, Tennessee) Benson Vaughan, 2018-03-23 This book examines the influence of music on the development of the Church of God Cleveland Tennessee This narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music This study utilizes a chronological and systematic approach to the relationship between music and the Church of God in the United States during the first 125 years of the denomination's history from 1886 to 2011 For over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in Pentecostal history Along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music events in the Church of God The book also relies upon musical examples to explore the influence of music upon the shaping of the denomination's history and theology

Brown, 2019 This book will show you how music can either indoctrinate or educate you spark rebellion or patriotism and drive you to the devil or draw you closer to God STUCK Bob Sorge, 2019-05-07 STUCK Help for the Troubled Home Jesus gave a supremely wise way to tackle the most troubling enemy of our marriages and almost nobody knows about it But you re not STUCK Discover how to regain harmony in your marriage Jesus way Interpreting The Times Chuck D Pierce, 2012-09-20 Have you ever noticed how often we use the word time in our everyday conversations Not only are we acutely aware of the passage of time but our speech is also littered with references to it We kill and waste time Time flies or sometimes it crawls We refer to time in countless expressions and figures of speech Chuck Pierce tackles the subject of time specifically as it relates to God and our relationship with Him addressing some transcendental questions such as how can we tell when we get out of step with God s timing Pierce moves readers from viewing time as a philosophy or a curse to seeing it as a real gift from God presenting a new reality of space time spirit and truth as they advance through the pages This book is for everyone who wants to take back their life take their place above the linear timeline and learn to live on earth influenced and empowered by an eternal God **In His Face** Bob Sorge, 1994 It is one thing to suffer it is quite another to suffer profitably Bob shares this grippin book is a must for all who are currently suffering and should read for those whose time of trial is just around the corner Dr Judson Cornwall author international teacher Created to Worship Bj Abulude, 2018-09-02 21st Century worship is being driven it seems by Music Popular culture and the entertainment industry have captivated the minds of Christians everywhere Many people go into Churches today expecting similar levels of showmanship or gimmicks applied as they would be in any secular pop or rock concert Or perhaps Church leaders are themselves convinced that no one would come unless they can put up a great show Created to worship encourages Christians to get back to the basics of worship exploring how the songs we sing can arguably shape our daily Christian experience In a world full of noise and great distractions disciples of Jesus Christ are encouraged to delve deeper into the scriptures so that with renewed faith we can build our worship upon the foundations and truth of God s Word and live the supernatural lives that God intends for us to live *Essentials of Pentecostal Theology* Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement s original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and

praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly
