Exploring Hebrews:

Exploring Hebrews John Phillips, 2002-10-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moodymagazine Exploring Hebrews George R. Knight, 2003 Exploring Hebrews John Phillips, 1992 In one of the most Christ exalting books of the Bible the magnificence of Jewish OT religion is compared with the incomparable truths of NT revelation and Judaism is totally eclipsed by Christianity *Exploring Hebrews* Creative Christian Enterprises, 1986-10-01 *Exploring Hebrews* Ashley Day, 2013-02-06 Nobody knows for certain who wrote the letter to the Hebrews Many scholars such as Arthur Pink and the early Catholics believe Paul was the author Others claim it was written by Timothy or Barnabas Some even suggest that the writers were Aquila and Priscilla Still others such as Martin Luther and R C Lenski believe that Apollos wrote it But despite the learned theories which claim to prove the authors identity none succeeds and the fact remains that despite two thousand years of scholarship nobody knows who actually penned these immortal words Even if we knew the authors identity the knowledge would not help us very much It would not change one word of the letter nor make it more effective Exploring Hebrews does not waste time following rabbit trails but instead concentrates on what the letter itself has to say Every verse is covered and carefully explained Our goal is to learn bearing in mind that although God has not revealed the identity of the human author of Hebrews the letter was clearly written under divine inspiration All Scripture is God breathed 2 Timothy 3 16 and The prophecy came not in old time by the will of man but holy men of God spoke as they were moved by the Holy Ghost 2 Peter 1 21

Exploring the Old Testament in the New Peter R. Rodgers, 2012-11-29 There are many books on the use of the Old Testament in the New. This one takes a practical approach to the subject, inviting the reader to explore the relationship between the two testaments in the Bible through a series of different lenses: The text form of the Old and New Testaments; The presence or absence of introductory formulae; The selection of texts by New Testament writers; The application of Old Testament texts to the Gospel facts; The combination of several Old Testament texts; The history of interpretation of these texts in ancient Judaism; The story or narrative that is indicated by the use of these texts; The function of the Old Testament citations in the New Testament writings. Each section includes practical exercises that will help the reader become a participant in the discussion. Through these eight lenses, the reader is invited to explore this fascinating subject and through it to discover what C. H. Dodd called the substructure of New Testament theology. **Bible Explorer's Guide** John Phillips, A getting started handbook that provides ground rules for interpreting God's Word and helps for applying its principles.

Rethinking the Atonement David M. Moffitt, 2022-11-15 Traditional views of the atonement tend to be reductive, focusing solely on Jesus's death on the cross. In his 2011 groundbreaking book *Atonement and the Logic of Resurrection* in the *Epistle to the Hebrews*, David Moffitt challenged that paradigm, showing how the atonement is a fuller process. It involves not only Jesus's death but also his resurrection, ascension, offering, and exaltation. In the succeeding years, Moffitt has continued to expand and clarify his thinking on this issue. This book offers a more fulsome articulation of his work on the atonement that reflects his recent thinking on the topic. Moffitt continues to challenge reductive views of the atonement primarily from the book of Hebrews but he engages other New Testament passages as well. He offers fresh insights on sacrifice and atonement, the importance of resurrection and ascension, Jesus's role as priest, and a new perspective on Hebrews. This important book brings Moffitt's award-winning and influential scholarship to a broader audience. The book includes a foreword by N. T. Wright.

The View from Mount Calvary John Phillips, 2005-12-23 Without Jesus, the Bible makes no sense. And without his atoning death on the cross, the Bible makes no difference. In *The View from Mount Calvary*, renowned Bible commentator John Phillips surveys the entire Bible and shows how its many sections, books, and subjects all revolve around the death of Jesus on Mt. Calvary. Recommended reading, especially during the Easter season, *The View from Mount Calvary* will deepen readers' appreciation of the finished work of Christ.

Jesus Our Lord John Phillips, 2007-01-01 This companion volume to the best-selling *The View From Mount Calvary* shows readers how we are never far from encountering the lordship of Christ, no matter where we are in our biblical reading. Respected teacher John Phillips guides readers, illustrating how the Bible provides a window through which we encounter Jesus, our Lord, and discusses the many biblical events, stories, and prophecies that reflect his lordship.
