**Sacred Conversation** Marsha Crockett, 2022-03-01 God created humans with the desire to both know others and be known. People weren't meant to go it alone on their spiritual journeys and God has provided many fellow travelers to accompany us. Some of these fellow pilgrims, spiritual directors, are called to walk the spiritual path with others. The spiritual director, however, does not seek to tell their counterpart how to live out the faith. Instead, the spiritual director accompanies others on their spiritual journey and helps them discover how God may be working in their lives. The spiritual director listens, notices, encourages, asks questions, and prays for the person receiving spiritual direction. In *Sacred Conversation*, readers will learn what spiritual direction is and what it isn't. They will explore spiritual practices that have helped people for hundreds of years develop a closer relationship with God through Jesus Christ. Marsha Crockett introduces readers to seven gifts of spiritual direction: awakening, hospitality, story, pilgrimage, silence, meditation, and belonging. Each chapter contains reflection questions for individuals to use in conversation with their spiritual director as prompts for journaling or for sharing with small groups.      *Exploring Spiritual Direction* Alan W. Jones, 1999 This new edition explores spiritual direction in the wider context of Christian friendship. Insisting on the need to undertake spiritual direction as an act of worship within a faith community, Jones goes on to look at the part that spiritual warfare, vulnerability, imagination, contemplation, and sacrifice all play in the work of spiritual guidance.

**Exploring Spiritual Guidance** Wendy M. Wright, 2006 The sensational small groups series *Companions in Christ* is now being offered in a new 5 piece participant book set as well as the traditional 1 piece participant book set. With the same great daily devotional material and group conversation, the two different participant book styles allow each group to create a study that best fits their members. The 5 piece participant book set will allow groups to take initial breaks between modules and each are to be used with the foundational leaders guide item 9780835898409 *Exploring Spiritual Guidance*. The Spirit of Christ presents an overview of the different ways to give and receive spiritual guidance from a one-on-one relationship with a spiritual mentor to congregational or small group accountability. Learn how to grow together as a part of a Christian community and how small groups become settings for guided spiritual development. *Exploring Spiritual Guidance* is the fifth segment of a five-volume study of the original 28-week *Companions in Christ* resource. The five-piece participant series is designed for groups who will take breaks between the other four volumes. These other 4 volumes include *Embracing the Journey* 9780835898300, *Feeding on the Word* 9780835898317, *Deepening Our Prayer* 9780835898324, and *Responding to Our Call* 9780835898331.      *Tending the Holy* Norvene Vest, 2003-10 Essays that explore spiritual direction from a variety of faith and cultural perspectives      *Spiritual Direction in Context* Nick Wagner, 2006-03-01 God created us to be lovers, writes Nick Wagner in his introduction to *Spiritual Direction in Context*.

When we love we are in right relationship We are acting for justice The ministry of every spiritual director in any context is to serve as a guide into the depths of that love relationship Here in this provocative collection of essays respected leaders in the field of spiritual direction explore the myriad of contexts in which this relationship takes place and offers practical ways to respond to them As the popularity of spiritual direction grows directors are facing situations that monks and nuns for centuries the exclusive practitioners of this profession never had to face The essays in this book drawn from Presence the journal of Spiritual Directors International look deeply at spiritual direction in a number of contexts including the workplace with the aging in hospitals with women s groups with youth with the homeless and with those in mourning Spiritual Direction in Context is the third in the SDI series

Ruffing, Janet Ruffing, 2000 The modern resurgence of interest in spiritual direction comes from every occupation and lifestyle not just those in the religious life But while some books cover the basic topic almost none consider the subject of advanced direction What are the special issues of someone who's been offering spiritual direction for more than five years And of someone who's been receiving spiritual direction for more than five years Written by a well known practitioner researcher and theoretician of the art this clear and insightful book fills the gap by providing concrete help for both veteran directors and veteran directees The book offers a theological basis for the process of direction then moves onto such advanced themes as resistance desire in prayer transference and counter transference love mysticism and mutuality with God It also focuses on the special concerns of women in direction Each chapter includes a section on theory some illustrative case material verbatims and suggested discussion questions *Spiritual Direction Beyond the Beginnings* is for a wide ecumenical audience of both directors and directees It's of particular interest to women clergy retreat directors pastors and all religious and clergy who find themselves spiritual directors by default
