say this is that it s a walk of faith as we strive to obey God s commands So what is a Christian Glad you asked A Christian is simply one who follows the teachings of the very incarnate son of God Jesus Unlike all other world religions Christianity is a personal relationship with the God and Creator of the Universe It begins with a call to believe in God O Seeker Is God Calling This is followed by the big eternal question But Why God and Why Me Digging deeper at the heart of the Gospel is A Call to Obedience Ouch Followed by living out that new life in A Call to New Life in Christ And finally a discussion on the undergirding of our Christian walk A Call to Grow in Our Faith Faith is a big topic and is what God gives us to keep everything in balance This book seeks to entertain certain points along life s journey These five essays touch on various topics that we all as Christians struggle with at times And as a bonus there s a self study Bible study to work through

It can be used in individual adult study as a family guide or with a small group study. [Living Belief](#) Douglas F. Ottati, 2022-06-07. A leading theologian's concise guide to the beliefs, commitments, and practices of Christianity. What do Christians believe? But also what do they do? And feel? With decades of experience teaching the essentials of Christian faith, Douglas Ottati still finds these questions and more like them dynamic and compelling. In *Living Belief*, he moves beyond trite answers, drawing from the deep well of tradition to offer up wisdom from the Apostles' Creed, the Ten Commandments, the Sermon on the Mount, and the Lord's Prayer. In so doing, Ottati explores key Christian themes such as creation, redemption, and love of neighbor, enemy, and the weak and dependent. Concise and approachable, *Living Belief* makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients, that encourages, and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope. In connection with each chapter, Ottati includes questions for discussion so that readers, those revisiting the core components of their Christian faith and those learning about it for the first time, can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity. *Who Says? A Discussion of Basic Questions on the Christian Faith* Fritz Ridenour, 1967. **The Christian Century**, 1925. **Discovering the Miracle of the Scarlet Thread in Every Book of the Bible** Richard Booker, 2009-11-28. Yes, you can understand the Bible. *Discovering the Miracle of the Scarlet Thread in Every Book of the Bible* takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides exciting biblical background. An interesting survey of each book in the Bible. Each book's master theme. Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him. Luke 24:27. PEB. This book about the Bible will change the way you think about His Word, His life-changing and eternal Word. **A Practical Discipleship Model That Fosters Spiritual Maturity** Owar Ojha Ojulu, 2023-11-09. Jesus challenges us to live in Him and continue living out the truth so that we claim our allegiance to Christ and live as disciples, free from fear and from cultural customs that contradict the gospel message. This project has found that the lack of discipleship training among the Anyuwa churches has resulted in a lack of understanding of what this ministry entails: teaching and making disciples. In addition, failure to embed elements of the Anyuwa culture into the discipleship approach and the persistence of

certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers
