Coxon, 2015-03-09 The theme of the New Exodus NE in John s Gospel has been largely unexplored in recent scholarship Now however by careful intertextual exegesis of John 5 10 Paul Coxon has compellingly argued that not only is the NE key to interpreting the Fourth Gospel but also to unlocking the mysteries of the Johannine puzzle itself Anyone who is interested in searching the riches of this marvelous Gospel will want to explore the NE in John in these pages The Second and Third Epistles of John Judith Lieu, 2015-01-29 Lieu examines theological and historical issues within the Johannine tradition **John and the Johannine Letters** Prof. Colleen M. Conway, 2017-11-15 While the book necessarily includes discussion of key concepts in Johannine scholarship e g the existence or not of a distinctive Johannine

community questions regarding the gospel's sources and redactional layers it also takes into account more recent developments in New Testament studies. It includes gender-related issues with influence by postcolonial approaches as well as the influence of the Gospel's socio-political context in shaping its Christology and theology. Chapters focus on the different approaches to the Johannine texts and view the Gospel and letters through the lens of each respective approach. Chapters also encourage observation and open with a brief scripture reading assignment followed by guiding questions to help students understand the key questions and themes for each approach.

Sermon Outlines on the Psalms John Phillips, 2012-03-05 Effective sermon exposition is based not only on the preacher's understanding of the text of Scripture but also upon a clear and concise communication of that meaning to God's people. A clear and concise outline is indispensable for communicating with confidence and conviction.

Jesus Our Lord John Phillips, 2007-01-01 This companion volume to the best-selling *The View From Mount Calvary* shows readers how we are never far from encountering the lordship of Christ no matter where we are in our biblical reading. Respected teacher John Phillips guides readers illustrating how the Bible provides a window through which we encounter Jesus our Lord and discusses the many biblical events, stories, and prophecies that reflect his lordship.

Exploring the Letters of John & Jude George R. Knight, 2009 The letters of John and Jude are a wake-up call. False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings. John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy. It's no surprise then that these four letters are of the utmost relevance to Christians today. John's first and second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A.D. 90s. Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ. This user-friendly devotional commentary divides the entire text of these four letters into bite-sized passages using a new translation by the author. Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty-first century believers. Small study groups and individuals alike will benefit from this format and better understand God's timely and very personal message.

A Journey Round John Wendy E. S. North, 2015-06-18 In *A Journey Round John* Wendy E. S. North considers a range of themes relevant to the interpretation of the Fourth Gospel. First the relationship between the Gospel and 1 John. North explores the value of the Epistle as a means of identifying traditional material the evangelist knew on which basis she appeals to 1 John to account for the form of Jesus' prayer in chapter 11. Second John's Christology in which North looks to John's cultural roots in monotheistic Judaism to understand his capacity to align Jesus

with God Third the crucial issue of the Jews in John where North clarifies the data by observing a narrative logic in John's use of the expression Fourth North identifies John's anticipated eschatology as a consolation strategy aimed at a readership struggling under life threatening circumstances in the absence of Jesus Finally North looks at John and the Synoptics and demonstrates how evidence drawn from the Gospel itself can serve to indicate whether or not John composed directly on the basis of the Synoptic record This collection draws together a number of ground breaking studies from over thirty years of work on the Fourth Gospel presenting a coherent development of thought on this crucial Christian text *Baxter's Explore the Book* J. Sidlow Baxter, 2010-09-21 Explore the Book is not a commentary with verse by verse annotations Neither is it just a series of analyses and outlines Rather it is a complete Bible survey course No one can finish this series of studies and remain unchanged The reader will receive lifelong benefit and be enriched by these practical and understandable studies Exposition commentary and practical application of the meaning and message of the Bible will be found throughout this giant volume Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures including pastors and teachers Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr Baxter It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation **John among the Apocalypses** Benjamin E. Reynolds, 2020-10-22 The Gospel of John has long been recognized as being distinct from the Synoptic Gospels John among the Apocalypses explains John's distinctive narrative of Jesus's life by comparing it to Jewish apocalypses and highlighting the central place of revelation in the Gospel While some scholars have noted a connection between the Gospel of John and Jewish apocalypses Reynolds makes the first extensive comparison of the Gospel with the standard definition of the apocalypse genre Engaging with modern genre theory this comparison indicates surprising similarities of form content and function between John's Gospel and Jewish apocalypses Even though the Gospel of John reflects similarities with the genre of apocalypse John is not an apocalypse but in genre theory terms John may be described as a gospel in kind and an apocalypse in mode John's narrative of Jesus's life has been qualified and shaped by the genre of apocalypse such that it may be called an apocalyptic gospel In the final two chapters Reynolds explores the implications of this conclusion for Johannine Studies and New Testament scholarship more broadly John among the Apocalypses considers how viewing the Fourth Gospel as apocalyptic Gospel aids in the interpretation of John's appeal to Israel's Scriptures and Mosaic authority and examines the Gospel's relationship with the book of Revelation and the history of reception concerning their writing An examination of Byzantine iconographic traditions highlights how reception history may offer a possible explanation for reading John as apocalyptic Gospel **Bible Study Guide: 1,2 & 3 John** Andrew J. NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One
