**Finding Jesus in the Old Testament** David Limbaugh, 2015-11-09 A New York Times Bestseller. In *Finding Jesus in the Old Testament*, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key and with Limbaugh as a deft guide, readers of *Finding Jesus in the Old Testament* will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title *The Emmaus Code*. Old Testament Introduction Robin Routledge, 2016-07-21 The Old Testament is part of the canon of Christian Scripture and as such has continuing significance for the church. However, the writings are set within a different historical era, a different culture, and a different religious context. To understand the Old Testament in a meaningful way, it must be read against its historical, cultural, and theological background. Here Robin Routledge enables readers to engage with the text. He discusses date, authorship, the writer's intention and purpose, and significant textual issues. Key scholarly approaches to the text, including historical, critical, and literary approaches, to help us comprehend and interpret the Old Testament and so apply it to current belief and praxis. Routledge includes an overview of exegetical and hermeneutical approaches. He also offers some guidance through the maze of new treatments and terminology. The volume provides specific introductions to the sections and books of the Old Testament following the canonical order of the Hebrew text. In addition, Routledge notes key distinctive issues and points to sources for further study. The author's hope is that this volume will not only aid students but will also benefit others who want to take the Old Testament seriously and to apply its message to the life and ministry of the church today. Scholarly and lucid, *Old Testament Introduction* is designed especially for those who want to understand how to read the Old Testament as Christian Scripture while doing justice to its nuances and enormous diversity. I commend it warmly.

Viljoen, 2021-11-30 Life is a primary theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept

Hinkle, 2016-02-10 Every generation must accept the responsibility of training the next Yet are modern Christian pastors and educators using teaching paradigms that impact memory and long term memory retention Pedagogical Theory of the Hebrew Bible is a cross disciplinary book that connects religious education with active learning theory and demonstrates how these two areas are intimately connected within the biblical texts of Genesis through 2 Kings Through vivid discussion of the literary texts Adrian Hinkle demonstrates that religious educators never used isolated oral stories or instructions Instead these are purposefully connected with other learning formats to increase memory retention and ensure each generation experiences the traditions of Yahweh      **The Torah Story** Gary Edward Schnittjer, 2010-06-01 Working knowledge of the

Torah is essential for every serious student of the Scriptures Written in an engaging and accessible voice even while digging into difficult and complicated matters at a sophisticated level The Torah Story emphasizes the content of the text itself moving beyond debating dates and theories of authorship into understanding how these five key books of the Bible help us understand the story of salvation Providing flexible options for further study each chapter includes the following Tips and tools for getting started Questions that focus on key issues Key terms to look for Outlines and summaries of the material An interactive workshop designed for students individuals or study groups Challenge questions drawn from the chapter and biblical text Advanced questions for those who want deeper exploration of biblical contexts language and exegetical or theological issues Research project suggestions Discussion activities using films to engage the biblical narrative selected chapters A refreshingly new approach to the Torah neither an introduction nor a commentary The Torah Story provides a model of how to read Scripture intertextually It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch      Grappling With the Chronology of the Genesis Flood Steven W. Boyd, Andrew Snelling, 2014

Understand this highly debated flash point for scientific debate academic criticism and common confusion with this unique presentation Delve into the technical aspects of the chronology historicity and significance of understanding this landmark event including what we can learn from the Hebrew words used to describe it Examine the numerous geological geophysical and paleontological indications pointing to the reality and global scope of the Flood Learn how and why the authors

exhaustive research began putting forth objective criticisms they would address and identifying obstacles to be resolved The Flood as described in the Book of Genesis not only shaped the global landscape it is an event that literally forms our understanding of early biblical history Now an experienced team of scientists and theologians has written a definitive account of the Genesis Flood with detailed research into the original biblical text and evidences unlocked by modern science and study Often recounted and discounted as just a myth or children's story what we find with deeper study is instead a cataclysmic event one that truly wiped out life on our planet with the exception of those preserved through God's plan The devastation the Genesis Flood wreaked upon a rebellious world remains an important part of the biblical narrative we should understand for what it was a divine act of judgment on a sin immersed world

**Old Testament Introduction** Milton Jones, 2012-08-09 Too frequently believers give up on the possibility of understanding the Old Testament Distance from the culture ignorance of the literary forms and failure to see the structure of each book combine to create a daunting task in sorting out the content Without the ability to compass the content application becomes difficult Further too many people labor under the mistaken notion that the Old Testament is no longer relevant In reality it is impossible to truly understand and apply the New Testament correctly without a working knowledge of the Old Testament Every believer can be an active student of the Old Testament

*Praying the Language of Enmity in the Psalter* Aran J. E. Persaud, 2016-07-22 How is it possible to hold a New Testament ethic to love one's enemies and pray for their physical infliction shame death and suffering of family members And yet the Psalter the prayer book of the Church contains such prayers In modern times the Church has adopted a semi Marcionite attitude towards these troubling texts excluding whole psalms or parts from liturgies and private use But as the age of terror dawns upon us we are finding that these texts speak of unchanging realities that perhaps the ancients were abler to understand than moderns Two great wars and a multitude of ideologies proved in the last century that the intellect cannot prevent these irrational impulses of destruction and post modern societies of the present century with their multitude of voices really offer no voice to counter moral evil This study of six psalms with graphic language of enmity seeks to help the reader overcome shallow views of the

mystery of evil cultural blinkers of the use of language and even personal prejudices It attempts to recover the complete prayer book of the Church as it once was Israel s prayer book      **John 17 and the Power of Prayer** Judith A

Diehl,2023-06-12 What is the power of prayer It is easy not to even think about prayer until trauma happens Everything seems to be going very well until we slip and fall Life is filled with beauty and joy until it isn t Then is God listening Silence is deafening and the lack of communication is frightening Many people know the familiar Lord s Prayer found in Matthew s Gospel and for good reason Some of us memorized it in our childhood But actually we may know little about prayer or we have tried to avoid it altogether Within varied denominations and customs people have rituals and practices about prayer that are deeply ingrained Some are very helpful but some do not raise prayer above a mysterious obligation and a duty Sadly perhaps we have lost our prayer innocence with time traditions and the painful experiences of life This book is a focus on unusual names or titles for God on the lips of Jesus in John s Gospel Names reveal identity who is God who is Jesus and who is the Holy Spirit A better understanding of God can have a profound effect on one s prayer life Knowing God is the power of prayer it can move us from obligation to love There are numerous books on effective or successful prayer in the religious section of the bookstore or on the internet This is not one of those books It is not about how to pray but it is a book about the One to whom we pray Life is a rocky craggy trail and we all need dependable available help when we slip and fall Then we can lift our hearts and thank Someone who loves us That is the power of prayer
