Exploring Worship Bob Sorge, 2004 Exploring the Worship Spectrum Zondervan, 2010-05-11 An exploration of what worship looks like from a biblical standpoint and why the topic of worship can be so contentious among Christians Because worship is inherently theological because it s a manifestation of humanity s response to God s holiness it s important to take seriously how we worship and the roles it serves in personal displays of adoration and in community with other believers Exploring the Worship Spectrum provides an overview critique and celebration of six prominent worship styles Formal Liturgical represented by Paul Zahl Traditional Hymn Based represented by Harold Best Contemporary Music Driven represented by Joe Horness Charismatic represented by Don

Williams Blended represented by Robert Webber Emerging represented by Sally Morgenthaler This unique format allows those with a heart for worship to compare different perspectives and draw their own conclusions on what the Bible teaches It allows readers to understand the various approaches to worship carefully evaluate their strengths and weaknesses and make personal choices without adopting a judgmental spirit The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Exploring Worship Bob Sorge, 1987-02 Used as a text internationally Exploring Worship lays a scriptural foundation for understanding what praise and worship really is and then provides a practical framework for implementing praise and worship at the local church level This is one of the foremost worship texts used today by Bible Schools Universities and local church worship ministries This newly released Revised Updated version makes Exploring Worship once again a relevant equipping tool to today's worshipers I am totally unaware of a more comprehensive treatment of this subject in any book including those of mine It should be read by all worshipers and should be required study for all who aspire to lead congregational worship Dr Judson Cornwall from the foreword

The New Rebellion Handbook GRQ, Inc., Exploring Worship Fernando Arzola Jr., 2011-03-23 How we worship determines what we believe Prosper of Aquitaine a disciple of Augustine once wrote ut legem credendi lex statuat supplicandi the law of prayer determines the law of belief This is significant for it expresses that how we pray determines what we believe Exploring Worship engages in a comparative study of Catholic Evangelical and Orthodox teachings on corporate worship and suggests classic practices that help deepen the understanding and experience of worship This is significant in at least four ways Theologically it contributes to the important and continuing dialogue among Catholics Evangelicals and Orthodox Historically it highlights the integrative potential between these three groups contrary to its history of distrust and outright

animosity Spiritually many Christians are seeking a deeper devotional expression Exploring Worship provides an examination of worship rooted in the rich history and traditions of the Church Pedagogically this will suggest practices that help deepen the understanding and experience of worship Exploring Worship invites us to more critically intentionally and sympathetically reflect on the ways we worship and its place in our churches **It's Not Business, It's Personal** Bob Sorge,2009 *Exploring Worship* Virginia Talmadge,1988-01-01 **Faith Reads** David Rainey,2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection *Loyalty* Bob Sorge,2004 This book sounds a bold call for loyalty to God and to God s Davids God s Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today s generation isn t buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world *God is Writing Your Story* Bob Sorge,2012 Jesus the consummate author is writing a story with your life He loves a good plot and He rarely writes short stories Take heart in the journey your last chapter s not yet written This book will inspire you by telling one of the Bible s greatest stories from a perspective rarely seen Be encouraged God is using the unique twists of your journey to craft a story with your life When the journey grows long we can be tempted to lose heart This book will strengthen you to stay in the story In the last section of the book you will be encouraged by one of the greatest and least told stories in the entire Bible We think you ll agree that this is one of Bob s most important books *Envy* Bob Sorge,2003-01-31 Envy might well be termed the silent sin Because while all of us envy others to some extent few of us acknowledge our problem out loud let alone try to overcome it and move forward Bob Sorge draws upon his own pastoral experience plus the admitted burden of his own envy to show why and how it can adversely affect the ministry of a church and even prevent revival in people s lives Sorge reveals why comparison of our ministry and spiritual gifts to that of our fellow believers is to be avoided at all costs so that we do not hamstring God s plan for our growth and the accomplishment of His purposes This is a must read for leaders of all churches great and small and anyone who wants the peace that comes with a life free of envy *Exploring Worship* Virginia E. Talmadge,1988 *The Influence of Music on the Development of the Church of God (Cleveland, Tennessee)* Benson Vaughan,2018-03-23 This book examines the influence of music on the development of the
