

FIGURES REAL PEOPLE

The best way to learn to draw figures is by doing it. You do not necessarily have to attend a life class to observe individual differences; quick sketches of the kind shown here will teach you more than

pages of theory. Draw people—sitting, standing, in movement, in repose—in others as you can, looking for their characteristic postures and the way they hold their heads and move their limbs.

LEFT, RIGHT, AND OPPOSITE
Sketching a number
of posing postures
from memory. The one
on the right will be
sketched on the
next page.

Figures Lessons Exercises To Develop Your Painting Drawing Technique
