Janes Train Recognition Guide:

Jane's Train Recognition Guide Howard E. Johnston, 2005 Joining the well established series of Jane's Recognition Guides this is the only book you will need to identify the trains of the world Globalisation means that rail interest is no longer just domestic and rail fans travel far and wide to follow their hobby Though in an easy to use format this extensive guide covers over 500 of the trains that you are ever likely to see on your adventures Organised in a way that makes comparison and contrast between similar types easy this guide also includes details of number in service weight builder formation power system and unit power rating max speed fuel and passenger capacities notes on modifications and special features Along with extensive and clear photography this title also features maps showing all the major routes and locations of manufacturers an index and glossary This comprehensive title is the only guide worthy of the Jane's reputation as the authority on transport This is the only book you need to make the most of your interest in trains at any level Contents Locomotives Passenger Freight Special Duties High Speed Regional Commuter Metro systems Glossary Index *Jane's Train Recognition Guide* Howard Johnston, Ken Harris, 2005-09-20 The essential guide to the world's trains More than 460 locomotives and trains Global coverage Special features subtypes and history Detailed and up to date technical specifications Passenger freight high speed special duties and commuter systems The perfect identification guide *The Journal of Military History*, 2005-10 Rails Around the World Brian Solomon, 2020 Rails Around the World is a visually glorious history depicting trains and locomotives at work in scenic locations throughout North America Europe and Asia Jane's Airline Recognition Guide Gunter Endres, Graham Edwards, 2006-11-28 More than 700 airlines Fully illustrated Company histories and current fleet details Explanations of brand logos Aircraft setup and engine configuration Technical specifications *Modernizing China's Military* David Shambaugh, 2003-03-25 David Shambaugh a leading international authority on Chinese strategic and military affairs offers the most comprehensive and insightful assessment to date of the Chinese military The result of a decade's research *Modernizing China's Military* comes at a crucial moment in history one when international attention is increasingly focused on the rise of Chinese military power Basing his analysis on an unprecedented use of Chinese military publications and interviews with People's Liberation Army PLA officers Shambaugh addresses important questions about Chinese strategic intentions and military capabilities questions that are of key concern for government policymakers as well as strategic analysts and a concerned public **Library Journal**, 2005 Riding Jane Crow Miriam Thaggert, 2022-06-28 Miriam Thaggert illuminates the stories of African American women as passengers and as workers on the nineteenth and early twentieth century railroad As Jim Crow laws became more prevalent and forced Black Americans to ride Jim Crow on the rails the train compartment became a contested space of leisure and work Riding Jane Crow examines four instances of Black female railroad travel the travel narratives of Black female intellectuals such as Anna Julia Cooper and Mary Church Terrell Black middle class women who sued to ride in first class ladies cars Black women

railroad food vendors and Black maids on Pullman trains Thaggert argues that the railroad represented a technological advancement that was entwined with African American attempts to secure social progress Black women s experiences on or near the railroad illustrate how American technological progress has often meant their ejection or displacement thus it is the Black woman who most fully measures the success of American freedom and privilege or progress through her travel experiences *Library Journal* Melvil Dewey,Richard Rogers Bowker,L.
