## **Jesus Confronts Life's Issues:**

Jesus Confronts Life's Issues Joseph D. Ban, 1972      **The Journey of Life** Henderson Brome, 2007-04 The journey of life from birth to death is a phenomenon that is common to all human beings. It is an experience that transcends all the variables of our existence such as race, religion, and nationality. How we reach our destination, accomplish our goals, and realize our God-given destiny is contingent upon our ability to navigate the contours of that journey. We can indeed celebrate the blessings and successes, confront the obstacles, and cope with the myriad experiences of life's journey. This book is addressed to all who struggle to meet the challenges of life's journey. Some chapters provide us with powerful and compelling stories of those who, in the face of adversity and disappointment, did not retreat nor surrender but who, through faith, determination, patience, and indefatigable will, were able to triumph over the troubles, trials, temptation, and tribulation of their experience. Other chapters provide the reader with stories that serve as signposts that allow one to make the appropriate detours and diversions in order to avoid the pitfalls and potholes of life's journey. The content of this book provides us not only with a road map but also with some valuable tools for our survival kit as we traverse the diverse landscape of that journey.      Confronting the Storms of Life Samuel Daniel, 2004-08 *Confronting the Storms of Life* is a book that clearly speaks the heart of a Counselor. This is a book for anyone as it deals with what affects an average person irrespective of faith and belief. It builds the faith of the believers to where they can just hold on to God when there seems not to be any answer to their questions. It provides a comfort for the present and a vision of hope for tomorrow even when conditions appear intractable, hopeless, or even terminal. Non-Christians will find it a valuable introduction to God and Jesus Christ. They will hopefully feel the power of God and the grace of Jesus. It will hopefully serve as an invitation for coming into the family of God through Jesus Christ. The author confronts issues from a practical life experience. His admonitions are thoughtful, insightful, honest, and unvarnished. This is a book that will strengthen the weak, comfort the dis comforted, lift up the downhearted, and put a new spirit in the readers' walk and relationship with God. The subtitled in words and spirit is a catalyst for Finding Comfort in Times of Need to those who believe.      **The Congregationalist**, 1929      *A Touch of Doubt* Rachel Aumiller, 2021-02-22 What can we know about ourselves and the world through the sense of touch, and what are the epistemic limits of touch? Scepticism claims that there is always something that slips through the epistemologist's grasp. *A Touch of Doubt* explores the significance of touch for the history of philosophical scepticism as well as for scepticism as an embodied form of subversive political, religious, and artistic practice. Drawing on the tradition of scepticism within nineteenth and twentieth-century continental philosophy and psychoanalysis, this volume discusses how the sense of touch uncovers contradictions within our knowledge of ourselves and the world. It questions 1) what we can know through touch, 2) what we can know about touch itself, and 3) how our experience of touching the other and ourselves throws us into a state of doubt. This volume is intended for students and scholars who wish to reconsider the experience of touching in intersections of philosophy, religion, art, and social and political practice.

**When Tragedy Strikes** Mark Ashton, 2010-02-23 The Reality Check series makes just one assumption that you're serious enough about your spiritual journey to investigate Christianity with an open mind This isn't about joining anyone's religious club it's about being real with yourself and with the others in your group Since no one has all the answers there's plenty of room for discussion After all if there is any truth to the Bible's stories about Jesus then one thing he'd welcome are questions and opinions that come from honest earnest hearts If there is a God and he's good then why doesn't he do something about the evil and suffering in this world Where was he when the Twin Towers fell Where is he in the midst of your own tragedy Questions like these are hardly academic they're the gut wrenching cry of a world consumed with unendurable pain and ugliness Something about this life is so terribly broken that only God can fix it So why doesn't he or has he is he and will he When Tragedy Strikes includes these sessions Where Is God When Tragedy Strikes Is God to Blame How Should You Respond to Evil Is War the Solution What Has God Done About Evil Will Evil Win in the Long Run For the Group Leader Reality Check is for spiritual seekers of every persuasion Uncompromisingly Christian in its perspective it steers wide of pat answers and aims at honesty This innovative and thought provoking series will challenge you and those in your group to connect heart to heart as together you explore the interface between Jesus the Bible and the realities of this world in which we live

Mark Timothy J. Geddert, 2001-01-23 Timothy J. Geddert views Mark as a profound theologian and

accomplished writer not a mere compiler of traditions Mark's text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way Mark's Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth the Christ the Son of God Mark presents God's reign its present hiddenness and future glory and its surprising way of coming Mark is also about Jesus and his followers crossing barriers to pass God's grace on to those formerly excluded Mark's resurrection message is open ended Readers supply their own ending not just in words but by following their resurrected Lord Includes essays on themes useful for teaching preaching and Bible study bibliographies charts two maps and an index of ancient sources      The Nonviolent Atonement, Second Edition J. Denny Weaver, 2011-01-26

A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver's Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm's theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology      **Living an Overcoming Life** Peter Uba, 2021-07-30

Living an Overcoming Life is a believer's guide to a life of victory in Christ as God originally intended In our current day and time many Christians live a life of defeat and are oppressed by the powers of darkness through the pressures and demands of this world system Too many are ignorant of the power and authority released to us through our Savior who is God's only Son Jesus Christ of Nazareth Take control of your life today as Pastor Uba reveals specific keys for breakthrough and victory in your life and the lives of your loved ones This is your time to walk in your divine destiny in Christ through the power of the

Robert W. Pazmiño, 2002-04-29 To reject power and its legitimate use is ultimately to reject God's gift and intention for Christians as we live in the world writes Robert W Pazmino He defines what authority is and how it is perceived by and operates in various Christian communities He applies these factors and the need for confident authoritative teachers specifically to the ministry of Christian education By What Authority Do We Teach completes a trilogy covering key elements of evangelical education Also in print are Foundational Issues in Christian Education an agenda of theological sociological psychological curricular and other concerns and Principles and Practices of Christian Education which integrates conversion and connection into the teaching task **The Christian Advocate**, 1927

Think; Are You Killing Your Pastor?** Ira Gilbert, Many believers who are sheep have put so much on our pastor's shoulders When we neglect our own responsibility as sheep to help shape mold build the Body of Christ as well as to help guide new converts of faith As a pastor I did not have a notion about God's sheep

so I began my journey to discover how to shepherd God's sheep Much to my surprise I found many different kinds of sheep faithful and unfruitful sheep gossiping sheep lying sheep sheep who cannot be trained dishonest sheep messy sheep faithful sheep blessed sheep loving sheep and more We have so many different types of sheep of various levels of faith and commitment but there is hope in the Body of Christ Are you blessing to your pastor and leaders Are you a sheep who brings joy or pain This story is one of feelings and how our feelings cannot drive our relationship with God because we have the mind of Christ When we allow our minds to be in control then we are unfruitful to God and will become a tool for the enemy to plant seeds of bitterness Our emotions are true but they are an enemy to your purpose and the Will of God     *The*
