## Getting By In Spanish:

Getting Real About Race Stephanie M. McClure, Cherise A. Harris, 2021-11-15 *Getting Real About Race* is an edited collection of short essays that address the most common stereotypes and misconceptions about race held by students and by many in the United States in general. Key Features Each essay concludes with suggested sources including videos, websites, books, and/or articles that instructors can choose to assign as additional readings on a topic. Essays also end with questions for discussion that allow students to move from the what knowledge to the so what implications of race in their own lives. In this spirit, the authors include suggested Reaching Across the Color Line activities at the end of each essay, allowing students to apply their new knowledge on the topic in a unique or creative way. Current topics students want to discuss are brought up through the text, making it easier for the instructor to deal with these topics in an open classroom environment. **A**

Perez offers an intimate and unvarnished portrait of Puerto Rican life in Chicago and San Sebastian. Puerto Rico, two places connected by a long history of circulating people, ideas, goods, and information. Perez's masterful blend of history and ethnography explores the multiple and gendered reasons for migration, why people maintain transnational connections with distant communities, and how poor and working class Puerto Ricans work to build meaningful communities. Perez traces the changing ways that Puerto Ricans have experienced poverty, displacement, and discrimination and illustrates how they imagine and build extended families and dense social networks that link San Sebastian to barrios in Chicago. She includes an incisive analysis of the role of the state in shaping migration through such projects as the Chardon Plan, Operation Bootstrap, and the Chicago Experiment. *The Near Northwest Side Story* provides a unique window on the many strategies people use to resist the negative consequences of globalization, economic development, and gentrification. **Bilingual Siblings** Suzanne Barron-Hauwaert, 2011-01-13 How
