God Gets Everything God Wants Katie Hays, 2021-09-21 A gospel of hope inclusion and defiance If God gets everything God wants and if what God wants is you can anything stand in God's way Too many Christians have been taught that core aspects of who they are their gender their sexual orientation their politics their skepticism prevent God from loving them fully For these individuals church has been a painful experience of exclusion despite the reality that Jesus was the embodiment of God's radical inclusion Katie Hays invites weary Christians former Christians and the Christ curious to take another look at God through the testimony of our biblical ancestors and to reimagine the church as a community of beautiful broken and burdened people doing their best to grow into their baptisms together Hays insists that yes God does get everything God wants and even better we're invited to want what God wants too and want it more and more and more until life feels abundant and eternal and delicious and drunken with possibility This is a message of stouthearted faith anchored in wonder not false certainty Atheists are welcome Those who feel uneasy inside a church are welcome Those still angry at other Christians are welcome Because no matter what we've experienced the God who still adores this world is the God of hope inclusion and defiance of the powers that be And for those who are willing to collaborate in the painstaking work of examining our Christian faith and sorting it out the good stuff from the harmful stuff the stuff with integrity from the stuff we simply inherited from family or church or the cultural air we're breathing there await life giving possibilities found nowhere else
