Bare Wes L Lotus, 2013-10-15 Poetry is certainly a form of art that I appreciate When I want to express myself I write on paper and then I read my words out loud What I love most about poetry is that it has no boundaries and I personally believe that freedom of expression is poetry's best friend Poetry allows me to evolve in so many ways and challenges me to learn more and create art for the mind Sometimes I'm at a loss for words to write at times it takes minutes hours days and months for me to write a new piece Just like any relationship poetry requires patience dedication and

understanding Anyone can write a poem if they put their mind to it but to write continuous poetry you need the passion for it
Some may view my work as prose or spoken word to me personally they all come from the same family so if you are probably
wondering what I write I write poetry **Michigan School Moderator** ,1888
