BOOK JACKET *The Sovrien* Clark Hanjian, 2003-05-25 The pacifist the anarchist and the cosmopolitan all struggle with the demands of citizenship Their hopes for tolerance nonviolent social change and a society ordered by personal responsibility are routinely dashed by civic obligations to support militarism parochialism and a society ordered by threat of force Fortunately for these idealists the institution of citizenship is under review Alternatives such as global citizenship and post national citizenship are enjoying renewed attention Of particular interest is the option of statelessness To be stateless is to be a citizen of no country a subject of no government a member of no state Statelessness exists in two forms The unintentionally stateless person lacks citizenship status against her will She is an alien in search of a state The intentionally stateless person lacks citizenship status on purpose She elects to be both sovereign and alien she is a sovrien While scholars and jurists have extensively examined unintentional statelessness they have all but ignored its counterpart The Sovrien explores this void and considers the possibility that one might choose to live as a citizen of no country The Sovrien proposes that the choice to be stateless is a legitimate and reasonable option This work examines the arguments for and against the existence of a right to be stateless the advantages and disadvantages of being a sovrien the process of exercising one's right to be stateless government attempts to restrict the right to be stateless and the rights and responsibilities of sovriens

Claims of Dual Nationals and the Development of Customary International Law Mohsen Aghahosseini, 2007 The law governing the international claims of dual nationals relates to and is influenced by the wider subject of the individual's standing at the international level But while the latter had as a result of modern trends in human rights hugely improved as from the middle of the last century no occasion to test its impact on such claims had arisen prior to the 1980s when the Iran United States Claims Tribunal justifiably described as the most influential arbitral institution in the history of international adjudication first became involved with the issue The significance of the Tribunal's jurisprudence on the subject is not however limited to the judicial support it gives to the international rights of the individual Having made its basic findings of

law on the subject the Tribunal has proceeded to apply them for some twenty years to a host of Cases of widely different characters The result is a wealth of material comprehensively reviewed in this book for the first time which is likely to be of some benefit to those interested in this area of international law

Culture and Identity Anita Jones Thomas, Sara Schwarzbaum, 2006 A collection of autobiographical stories that explore themes of race ethnicity immigration acculturation religion and social class

The Human Right to Citizenship Yaffa Zilbershats, 2021-10-01 The book endeavors to establish the standards for vesting citizenship in the hope that applying these standards will result in every person being granted citizenship of the State which is the center of his her life The author considers the connection between loyalty to the State and citizenship the principles which should shape the concept of loyalty to the State the dilemma of multiple citizenship and the right to citizenship in the light of current political changes Published under the Transnational Publishers imprint
