People Kevin G. Harney,2009-10-06 Most people who call themselves followers of Jesus have a deep desire to tell others about God s amazing grace Yet at the same time they avoid evangelism and often feel guilty for doing so Pastor Kevin Harney wants to see this change He is convinced that ordinary Christians can share the extraordinary love of God in ways that are natural and normal and simple Kevin was raised in a loving healthy non Christian home He feels as comfortable around people who are far from God as he does with those who have been in the church their whole lives In this book Kevin offers forty ways any Christian can take simple steps forward in learning to share what is most important the message of God s life changing love revealed in Jesus In Simple Evangelism you will discover that God longs to work through you to bring his good news to a world in need And you will be overjoyed as you discover that the pathway to fruitfulness in evangelism is paved with simple attitude adjustments actions and spiritual exercises that anyone can do including you

**Official Gazette of the United States Patent Office** United States. Patent Office,1910 **Working-Class Minority Students' Routes to Higher Education** Roberta Espinoza,2012-10-02 While stories of working class and minority students overcoming obstacles to attend and graduate from college tend to emphasize the individualistic and meritocratic aspect this book based in extensive empirical study of American high school classrooms and in theories of social and cultural capital examines the social relations that often underpin such successes highlighting the significant formal and informal academic interventions by educators and other education professionals

Doing Time, Writing Lives Patrick W. Berry,2018-01-24 Winner Coalition for Community Writing Outstanding Book Award 2019 Doing Time Writing Lives offers a much needed analysis of the teaching of college writing in U S prisons a racialized space that despite housing more than 2 million people remains nearly invisible to the general public Through the examination of a college in prison program that promotes the belief that higher education in prison can reduce recidivism and improve life prospects for the incarcerated and their families author Patrick W Berry exposes not only incarcerated students hopes and dreams for their futures but also their anxieties about whether education will help them Combining case studies and interviews with the author s own personal experience of teaching writing in prison this book chronicles the attempts of incarcerated students to write themselves back into a society that has erased their lived histories It challenges polarizing rhetoric often used to describe what literacy can and cannot deliver suggesting more nuanced and ethical ways of understanding literacy and possibility in an age of mass incarceration
