Because of life-threatening circumstances and a Presidential Directive, an American businessman and former Army Officer is asked to initiate plans for a hostage rescue. But the hostages, American Consulate personnel in a Far East country, become secondary to an unexpected and inter-related problem: a possible shutdown of the entire offensive missile deployment within the United States. We learn more of this central character through boyhood memories, his successes in various research and rescue missions, and a brief stay in a Near East country where he falls in love with Yasmin, a French Arabian princess. Because of the relationship, he is assigned to the American Consulate in London as Military Attache. While there, he meets Reggie, an attractive artist, and the start of a brief affair. Recalled to the United States, he is ordered to organize a unit for the retrieval of American prisoners of war in North Vietnam. During the successful operation, he is wounded in body and mind. He heals, leaves the hospital, and resigns his commission. A consulting venture brings him once again to London and the start of an international organization. Then, at the request of his former mentor, General Eisen, now a Chief of Staff, he accepts responsibility for the mission and
