Lewis, 2017-11-14 It s true that some people spend years studying Italian before they finally get around to speaking the language But here s a better idea Skip the years of study and jump right to the speaking part Sound crazy No it s language hacking Unlike most traditional language courses that try to teach you the rules of Italian LanguageHacking shows you how to learn and speak Italian through proven memory techniques unconventional shortcuts and conversation strategies perfected by one of the world s greatest language learners Benny Lewis aka the Irish Polyglot Using the language hacks shortcuts that make learning simple that Benny mastered while learning his 11 languages and his speak from the start method you will crack the language code and exponentially increase your language abilities so that you can get fluent faster It s not magic It s not a language gene It s not something only other people can do It s about being smart with how you learn learning what s indispensable skipping what s not and using what you ve learned to have real conversations in Italian from day one The Method LanguageHacking takes a modern approach to language learning blending the power of online social collaboration with traditional methods It focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses This means that you can have conversations immediately not after years of study Each of the 10 units culminates with a speaking mission that prepares you to use the language you ve learned to talk about yourself Through the language hacker online learner community you can share your personalized speaking missions with other learners getting and giving feedback and extending your learning beyond the pages of the book You don t need to go abroad to learn a language any more How to Get Really Good at Italian Polyglot Language

Learning, 2019-03-21 Millions of people learn Italian but only a very small percentage of learners can actually speak it fluently Why is that People in general are quick to point out that some are naturally built more than others to learn Italian and other languages This is not necessarily true however since we have all come to learn and speak our native language fluently If you find yourself overwhelmed trying to memorize thousands of Italian grammar rules and vocabulary words or are struggling to speak Italian with native speakers try this book This is not a basic Italian for beginners textbook designed to

teach Italian but a book that will teach you how to learn Italian the smart way and get you to fluency faster using highly effective language learning methods and techniques There exists hundreds of Italian language coursebooks Italian phrase books and basic Italian for beginners textbooks but without smart language learning techniques and strategies you are likely to forget what you have studied and reviewed and especially during a conversation There exists an easier and more fun way to build your overall Italian language ability In *How to Get Really Good at Italian* discover how you can easily conquer Italian language learning using highly effective methods and strategies used by polyglots language learning experts These methods and techniques can even be used to learn Italian grammar phrases and vocabulary from TV shows videos music and video games Learn Italian smarter and faster starting today
