I'm Dying to Get to Heaven Brian Thomas, 2019-11-04 I'm Dying to Get to Heaven is a short yet powerful book that centers around the conflict of our two natures We have a worldly or human nature and a spiritual nature both living within us side by side The purpose of this book is to help us become more spiritual than we presently are especially if you are actively seeking to understand how spirituality can help you improve your life We can be entirely worldly if we let our egotistical needs wants and desires along with a dedicated passion for possessions and pleasures rule us No one will ever be completely spiritual because our human nature will not allow it We are flawed and imperfect The best we can hope for is to learn how to let parts of our egotistical wants die and fade away and then to live peacefully with a balance of the worldly and the spiritual Within these pages is a helpful aide in such a quest to help all of us become totally aware of our human nature Awareness of such dualities is the first step in embracing a strong spiritual life Grant that I may die to all things in this world Thomas Kempis *The Imitation of Christ*
