## Gettysburg Campaign A Study In Command:

*The Gettysburg Campaign* Edwin B. Coddington, 1997-03 The Battle of Gettysburg remains one of the most controversial military actions in America's history and one of the most studied Professor Coddington's is an analysis not only of the battle proper but of the actions of both Union and Confederate armies for the six months prior to the battle and the factors affecting General Meade's decision not to pursue the retreating Confederate forces This book contends that Gettysburg was a crucial Union victory primarily because of the effective leadership of Union forces not as has often been said only because the North was the beneficiary of Lee's mistakes Scrupulously documented and rich in fascinating detail *The Gettysburg Campaign* stands as one of the landmark works in the history of the Civil War

**Parameters** ,1992 *Historical Dictionary of the Civil War and Reconstruction* William L. Richter,2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction

thorough history the author has used letters diary entries and remembrances many of them previously unpublished to present a view of the war as the men in the ranks saw it At Chancellorsville Gettysburg the Wilderness Spotsylvania Court House Petersburg and many more battles the Orange Blossoms earned a reputation for sacrifice and bravery eloquently put into words by Private Henry Howell As he lay wounded he described the charge that broke the Confederate line at Spotsylvania everyone was borne irresistibly forward There was no such thing as fail The book includes a roster of all who served in the regiment and numerous photos of individuals Robert E. Lee and the Fall of the Confederacy, 1863-1865

Ethan S. Rafuse,2009-10-16 In this reexamination of the last two years of Lee s storied military career Ethan S Rafuse offers a clear informative and insightful account of Lee s ultimately unsuccessful struggle to defend the Confederacy against a relentless and determined foe This book provides a comprehensive yet concise and entertaining narrative of the battles and campaigns that highlighted this phase of the war and analyzes the battles and Lee s generalship in the context of the steady deterioration of the Confederacy s prospects for victory **Encyclopedia of the Age of Imperialism, 1800-1914** Carl C.

**A to Z of the Civil War and Reconstruction** William L. Richter,2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history **Jubal**

**Early** Benjamin Franklin Cooling III,2014-08-26 In Jubal Early Robert E Lee s Bad Old Man a new critical biography of Confederate Lieutenant General Jubal Anderson Early Civil War historian B F Cooling III takes a fresh look at one of the most

fascinating idiosyncratic characters in the pantheon of Confederate heroes and villains Dubbed by Robert E Lee as his bad old man because of his demeanor Early was also Lee s chosen instrument to attack and capture Washington as well as defend the Shenandoah Valley granary in the summer and fall of 1864 Neither cornered nor snared by Union opponents Early came closest of any Confederate general to capturing Washington ending Lincoln s presidency and forever changing the fate of the Civil War and American history His failure to grapple with this moment of historical immortality and emerge victorious bespeaks as much his own foibles as the counter efforts of the enemy the effects of weather and the shortcomings of his army From the pinnacle of success Jubal Early descended to the trough of defeat within three months when opponent General Philip Sheridan resoundingly defeated him in the Valley campaign of 1864 Jubal Early famously exhibited a harder less gallant personal as a leading Confederate practitioner of hard or destructive war a tactic usually ascribed to Union generals Hunter Sheridan and Sherman An extortionist of Yankee capital in northern towns in Pennsylvania and Maryland typically in the form of tribute Early also became forever associated with the wanton destruction of Chambersburg Pennsylvania as well as Congressman Thaddeus Stevens private commerical ironworks and the private dwellings of Maryland governor Augustus Bradford and then Postmaster General Montgomery Blair How war hardened a crabbed arthritically hobbled but brilliantly pragmatic soldier and lawyer offers one of the most fascinating puzzles of personality in Civil War history One of the most alluring yet repellent figures of Southern Confederate history Jubal Early would devolve from the ideal prewar constitutional unionist to the postwar personification of the unreconstructed rebel and progenitor of the lost cause explanation for the demise of the Confederacy s experiment in rebellion or independence This critical study explains how one of Virginia s loyal sons came through war and peace to garner a unique position in the Confederacy s pantheon of heroes and the Union s cabal of military villains Jubal Early Robert E Lee s Bad Old Man will appeal to anyone interested in Civil War history and Confederate history     The Ongoing Civil War Herman Hattaway,Ethan Sepp Rafuse,2004
