comparison and allows you to be authentically yourself It helps you gain confidence as you make the progress that comes from having done your best instead of the depressing discouragement that comes from comparing yourself to the performances of others You won t have to become someone else to get what you want H Help Yourself E Empower Yourself A All Your People R Resources and Responsibilities T Trade This is an integrative approach to help you create a more meaningful life that is all yours You won t feel imbalanced or off center as you pursue one area of success fearing it will cost you somewhere else Without any striving your goals will be aligned with where you want to go in life You won t need to completely change who you are to follow the system No more deadlines No more tracking No more nonsense **Nine**
