Fullagar, Emma Rich, Adele Pavlidis, Cathy van Ingen, 2021-07-13 Transforming Sport and Physical Cultures through Feminist Knowledges contributes new perspectives on the entanglement of digital and physical cultures more than human relations post and decolonial ways of knowing and how onto epistemologies of sport come to matter These perspectives are explored through a diverse array of topics including the embodiment of netball through Feminist Physical Cultural Studies pregnant embodiment and implications of the postgenomic turn posthumanist perspectives on women s negotiation of affective body work and an autoethnographic account of how masculinity materialises through football the mediation of gendered subjectivity through the digital physical cultures of cycling as well as how decolonial and postcolonial approaches identify the gendered and racialised relations of power in sport for development and football campaigns aimed at women s empowerment The thread that connects these chapters is the doing of feminism as a generative knowledge practice that can transform ways of imagining knowing and affecting more equitable futures This feminist collection contributes to the movement of ideas and transformation of knowledge within and across sport and physical cultures Authors explore the power relations implicated in the gendered formation of physical cultures across leisure sport the arts tourism well being and various embodied practices from a range of disciplinary perspectives and theory method approaches The chapters in this book were originally published

as a special issue of Leisure Sciences **Turning Over the Pebbles** Mike Brearley, 2023-06-01 If you carry on like this you'll do nothing but play football and cricket all your life These were the exasperated words of Mike Brearley's mother as he once again trod mud into the family home after a long day playing outdoors They were also an unwitting but half accurate prediction for Brearley would become one of the most successful sportsmen of his generation by playing cricket for Cambridge Middlesex and then becoming one of England's finest captains But for Brearley cricket wasn't just a physical activity it was also an intellectual game offering the chance to bring closer together body and mind When his cricketing career came to end during his playing days he had had a hiatus as a philosophy lecturer he eschewed sporting commentary for a career as a psychoanalyst In *Turning Over the Pebbles* which he calls a memoir of the mind Brearley reviews his life with its attendant emotions tensions and moves It is also a book of his second thoughts and reassessments allowing him to understand more fully things that were obscure to him earlier After all he says captaining ourselves like captaining a team requires a willingness to allow thoughts and feelings their space Deeply thoughtful erudite and elegantly framed this book seamlessly blends all aspects of Brearley's life into a single integrated narrative With wide ranging meditations on sport philosophy literature religion leadership psychoanalysis music and more Brearley delves into his private passions and candidly examines the various shifts conflicts and triumphs of his extraordinary life and career both on and off the field

Game On Sue Anstiss, 2021-09-02 Shortlisted for the Sunday Times Sports Book Awards 2022 Longlisted for the William Hill Sports Book of the Year 2021 Sport has an extraordinary unique capacity to challenge and change society to bring joy and hope to improve physical and mental health reduce loneliness and build self esteem and happiness It's also a multi billion pound commercial industry that can transform lives businesses nations and regions Why has half the population been deprived of access to something so culturally powerful In recent years the landscape for women's sport has finally begun to shift We've seen significant increases in investment spectators and media coverage More women as professional athletes and taking influential roles as board directors editors officials and CEOs Yet female athletes still don't get equal opportunities or funding In many sports women receive less prize money lower sponsorship revenues and a tiny fraction of the media coverage Drawing on her own experiences and interviews with high profile Olympic and Paralympic champions broadcasters journalists sports scientists CEOs officials and sponsors Sue Anstiss investigates why women have been excluded from the world of sport for centuries and why we are now witnessing positive change as never before *Game On* is a celebration of the trailblazing women opening doors for others and a manifesto for women's sport a rallying cry to ensure the progress we are currently seeing goes from strength to strength *Cambridge 3 Unit Mathematics Year 12 Enhanced Version* William Pender, David Saddler, Julia Shea, Derek Ward, 2011-04 Contains features including a large number of fully worked examples which demonstrate mathematical processes and encourage independent learning *The Engine Drivers Daughter* Sharlie M Pickering, 2014-04-02 *The Engine Drivers Daughter* is an honest and challenging story of a girl growing up in a country of

political unrest and change A country trying to shake of Colonialism fighting for freedom and facing riots with many violent deaths This little island struggles to find identity within its own culture away from Colonial influences As the eldest daughter of a staunch Roman Catholic her life is filled with religious ritual Through difficult situations she finds strength and emerges as strong and determined believing for a better future Sometimes funny often sad her journey will enthrall the reader From a little girl to a young teenager with hopes and dreams she faces injustice but shows courage and survives the subtle bullying of small minded people It is written candidly and with human fragility giving an inside story to the subject of immigration This book will surprise and entertain

Kicking Back Nedum Onuoha,2022-05-17 A searingly honest account Nedum tells it like he played with nothing left out Guy Mowbray Match of the Day A frank thought provoking and compelling insight into one of football s most articulate voices Rory Smith New York Times chief soccer correspondent Nedum Onuoha s autobiography is considerably more compelling than most of those by more decorated players When Saturday Comes Nedum Onuoha was not a typical footballer Picked by the Manchester City Academy aged ten he was determined to continue his education despite the lure of a career under the floodlights Fiercely intelligent on and off the pitch Onuoha developed into a talented defender and played his part in City s meteoric rise In this characteristically forthright book Onuoha reveals what goes on behind the scenes at top tier clubs Stuffed with insights into household names like Stuart Pearce Sven G ran Eriksson Roberto Mancini and Harry Redknapp this is football and its most famous figures as you ve never seen them before Kicking Back is also the story of one man s search for identity as a footballer as a black man in England and as an outsider in the US during the 2020 Black Lives Matter protests What is it like to receive horrific racist abuse while doing your job And how has football failed the black community Onuoha provides a damning assessment of the sport s authorities as he dives deep into a life spent on the pitch

Aboriginal Sports Coaches, Community, and Culture Demelza Marlin,Nicholas Apoifis,Andrew Bennie,2020-10-31 This book is the first to celebrate the stories of this group of Aboriginal mentors and leaders and present them in a form that is accessible to both academic and general audiences In this book Aboriginal sport coaches from all over Australia share stories about their involvement in sport and community offering insight into the diverse experiences of Aboriginal people in settler colonial Australia This collection amplifies the public voice of Aboriginal coaches who are transforming the social cultural and political lives of Aboriginal and non Aboriginal people These stories have been overlooked in public discussion about sport and indigeneity Frank and often funny these intimate narratives provide insight into the unique experiences and attitudes of this group of coaches This book deepens our understanding of the shared and contested history of Aboriginal peoples engagement with sport in Australia

Science and the Secrets of Nature William Eamon,1996-06-02 In closely examining this rich but little known source of literature Eamon reveals that printing technology and popular culture had as great if not stronger an impact on early modern science as did the traditional academic disciplines Medieval interest in the secrets of nature was spurred in part by ancient works such as Pliny's Natural History As medieval experimenters adapted ancient knowledge to their changing needs they created their own books of secrets which expressed the uncritical empiricist approach of popular culture rather than the subtle argumentation of scholastic science The crude experimental methodology advanced by the professors of secrets became for the new philosophers of the seventeenth century a potent ideological weapon in the challenge of natural philosophy

[The Beautiful Games - Scotland's Hidden Sports](#) Henry Hepburn,2012-07-13 The Beautiful Games Scotland's Hidden Sports is an immersion into little seen worlds Scotland is obsessed with football Other sports live in its shadow misunderstood or unheard of by all but a few their compelling stories and characters ignored or disparaged Henry Hepburn's growing disillusion with his one sport country has driven him to explore what else is out there Who are the diehards keeping their sport alive the star players who fail to make the back pages How perilous is their sport's future in Scotland And in a country where their efforts go unheralded why bother at all The Beautiful Games illuminates a sporting nation waiting to be discovered

Christ Is in Me Salma Carunia Carter,2025-01-21 An orphan girl's extraordinary journey of faith hope and courage Follow in Salma's footsteps from beginning her life in 1944 arriving as an orphan at Amy Carmichael's Dohnavur Fellowship South India her daily school life as a student including many lively adventures and travails She was given little hope of becoming educated but still persevered even later becoming a teacher at the fellowship and then going to seminary where she received her calling to do the work of an evangelist and fulfill her ministry 2 Timothy 4:5 For the gifts and the calling of God are irrevocable 1 Peter 4:18 She went on to teach in the Himalayas where she received a great prophecy to go abroad and study at missionary school and become a missionary However a great obstacle stood in her way she needed to obtain a passport but as an orphan the path forward was difficult but she overcame it by faith Her visa was then obtained by divine intervention Her faith hope and courage in the Lord Jesus Christ helped her to clear all obstacles that stood in her way in this voyage Victory belongs to the Lord Christ is in me the hope of glory Colossians 1:27 Her story then took her to America where she met her husband This story will be unfolded in the next book yet to come
