**How To Put Yourself Across** Elmer Wheeler, 2016-11-11 This is Elmer's newest book. It is his best yet. It will bring you up to date on all the methods, techniques, and strategy used not only in America to win friends but from around the world. He constantly brings out methods used worldwide to make friends. He has discovered many ways to get along in life as used for centuries by people of other lands but never practiced in the United States. He will tell you, for example, about the soft sell of Japan, the bargain ways of Hong Kong, the winning silk appeals of Bangkok people, the image sell of India, and so forth, how these people sell themselves to others and go places in life. Truly, this is a collection of best ways and test ways to make friends, keep old friends, and go places. You'll live, you'll learn, you'll become a master of self-sell once you've read these lively chapters of Mr. Sizzle.

**How to Put Yourself Across with People** James K. Van Fleet, 1971 The Charismatic Edge: The Art of Captivating and Compelling Communication Owen Fitzpatrick, 2013-03-27 The rules of communication are radically different than ever before. Standing out and being counted is no longer just an advantage. It is a necessity. You are your own brand, and unless you learn how to shine, you'll be left behind. Whether you are looking to get a promotion, become a better leader, master public speaking, build your business, sell more, improve your love life, social life, or even your networking skills, you need to be more effective at engaging people. You need to be more effective at branding yourself and making an impact on others. Charisma is a must. And here's the good news: You can learn it. Find out the secrets that the best speakers, screenwriters, comedians, politicians, and gurus know about impacting their audience. The keys to supreme self-confidence and high self-esteem. How you can use your body, voice, and energy to influence others. How to create an irresistible first impression instantly. What only the very best business leaders, sales people, marketing executives, advertisers, and world-class negotiators all understand about winning the hearts and minds of their teams and customers. Charisma is often misunderstood as a quality that some people have but others don't. In this book, you'll learn how, in reality, charisma is an impression you create in the mind of another person, which can be improved and mastered by anyone, including you.

**Morning and Evening Meditations from the Word of God** Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day, 732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

Hidden Power James K. Van Fleet, 1987-11-01 Explains how the subconscious mind works, tells how to communicate with the subconscious, and describes the ways in which it can lead one to success.
