

LOVE & ROMANTIC POEMS

In Your Eyes

In your eyes, I see the stars,
Twinkling with love's eternal glow.
In your gaze, I find my home,
Wherever we may wander, wherever we may roam.

Heart's Serenade

Your laughter, a sweet serenade,
Dancing through the rhythm of my heart.
In your smile, I find my joy,
A melody that never shall depart.

How To Study Romantic Poetry:

How to Study Romantic Poetry Paul O'Flinn, 2000-11-09 Romantic poetry deals with the tensions hopes and fears of the late eighteenth and early nineteenth centuries as felt by a disparate group of men and women How though do you approach a Romantic poem What are useful ways to discuss Romantic poetry and what if anything do the poets have in common This completely revised and expanded second edition of *How to Study Romantic Poetry* shows you in accessible language how to use some of the recent developments in literary theory to think and write about Romantic poetry with confidence The book now includes a new chapter on the work of women Romantic poets including Mary Robinson and Elizabeth Hands

Romantic Poetry Angela Esterhammer, 2002-01-01 Romantic Poetry encompasses twenty seven new essays by prominent scholars on the influences and interrelations among Romantic movements throughout Europe and the Americas It provides an expansive overview of eighteenth and nineteenth century poetry in the European languages The essays take account of interrelated currents in American Argentinian Brazilian Bulgarian Canadian Caribbean Chilean Colombian Croatian Czech Danish English Estonian Finnish French German Greek Hungarian Irish Italian Mexican Norwegian Peruvian Polish Romanian Russian Serbian Slovak Spanish Swedish and Uruguayan literature Contributors adopt different models for comparative study tracing a theme or motif through several literatures developing innovative models of transnational influence studying the role of Romantic poetry in socio political developments or focusing on an issue that appears most prominently in one national literature yet is illuminated by the international context This collaborative volume provides an invaluable resource for students of comparative literature and Romanticism SPECIAL OFFER 30% discount for a complete set order 5 vols The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public

discourse including Romanticism's own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age

Eternity in British Romantic Poetry Madeleine Callaghan, 2022-05-13 Eternity in British Romantic Poetry explores the representation of the relationship between eternity and the mortal world in the poetry of the period It offers an original approach to Romanticism that demonstrates against the grain the dominant intellectual preoccupation of the era the relationship between the mortal and the eternal The project's scope is two fold firstly it analyses the prevalence and range of images of eternity from apocalypse and afterlife to transcendence in Romantic poetry secondly it opens up a new and more nuanced focus on how Romantic poets imagined and interacted with the idea of eternity Every poet featured in the book seeks and finds their uniqueness in their apprehension of eternity From Blake's assertion of the Eternal Now to Keats's defiance of eternity Wordsworth's two consciousnesses versus Coleridge's capacious poetry Byron's swithering between versions of eternity compared to Shelleyan yearning and Hemans's superlative account of everlasting female suffering each poet finds new versions of eternity to explore or reject This monograph sets out a paradigm shifting approach to the aesthetic and philosophical power of eternity in Romantic poetry
