How To Not Be Left Behind When Jesus Comes Again:

Left Behind and Loving It D. Mark Davis, 2011-08-15 *Left Behind and Loving It* is a cheeky critique of popular writings about the end times Rather than presenting a steroid buffed Jesus wrapped in an American flag and coming again in clouds of gunfire *Left Behind and Loving It* invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that God's steadfast love endures forever Rather than asserting a hope premised on a few chosen ones escaping the world *Left Behind and Loving It* argues that if it is Jesus who is to return and not his evil twin then the second coming has redemption written all over it Many today cannot accept the escapist violent end of the world scenario envisioned by *Left Behind* theology *Left Behind and Loving It* invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God

The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular *Left Behind* series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the *Left Behind* books critiquing them in the light of genuine biblical scholarship and common sense

Opening the Scriptures Bringing the Gospel of Luke to Life George Martin, 2011-10-21 *Bringing the Gospel of Luke to Life* Insight and Inspiration Were not our hearts burning within us while he spoke to us on the way and opened the scriptures to us Luke 24:32 The Gospel of Luke can similarly come to life for us when

as twenty first century Christians we have a teacher who will share his insights into its original first century meaning and context George Martin a gifted Catholic writer on Scripture employs commonsense vocabulary and concepts as he focuses on what Luke s words meant when he wrote them with an eye toward their meaning for our times Whether you practice lectio divina prepare and preach homilies lead or participate in Bible study groups are a Scripture teacher or seminarian you will find George Martin to be an enlightening and accessible resource George Martin s expositions of the Gospels are written with admirable clarity They interpret each Gospel in its first century context convey the best insights of modern scholars and challenge readers to apply the text to their own lives Daniel Harrington S J Boston College School of Theology and Ministry

Growing Up Pentecostal J. Stephen Conn,2006-03 Growing up Pentecostal is the true confession of an ultimate insider among Pentecostal preacher s kids Only a person with J Stephen Conn s unique background could tell a story It is insightful at times uproariously funny and told with the sensitivity of a true believer Stephen grew up as the third of twelve children in the home of one of America s most prominent Pentecostal ministers This is a tale of his childhood antics and his spiritual odyssey He gives a disarmingly honest account of his struggle to come to terms with his own calling as he traveled throughout America as a teenage preacher This is an extraordinary and entertaining story of the Pentecostal Holiness movement during the mid twentieth century It gives a rare insight a human face to what has been the fastest growing branch of the Christian religion for the past one hundred years [The Complete Works of John Bunyan](#) John P. EGYPT TO CANAAN: HOW TO REJOIN THE NARROW PATH TO ETERNAL LIFE & MAKE IT TO THE END Elizabeth Gata-Viki,2023-12-01 There is so much confusion and deception in the Church today Just switch on the telly and you will see that Satan has largely succeeded in making a complete circus of the Church There are so many false gospels false doctrines false teachers and false Christians Even the true Bride has lost its way Many are truly born again and trying hard to hold on but they cannot understand why the Holy Spirit has been largely aloof in their lives even for years God knows those who are His the true Bride the good fish in the dragnet the wheat and this book is for them This book is written for the beleaguered Bride to provide clear direction for her to find her way out of deception and back onto the narrow path that leads to Life It is in essence an extended analogy which follows the trajectory of the journey of the Israelites from Egypt to Canaan to unpack what experiences a Christian should expect as they progress on their own journey to eternal life This is that journey which can only be made on the narrow path to life which Jesus spoke of and of which He solemnly warned that few Christians would find The book projects the Christian life as the protracted journey that it is not a single life changing incident somewhere in one s past Focusing on areas of deep confusion and deception in the Church it takes a candid and profound but practical look

at those doctrines which are so fundamental to the Christian life and which form practical landmark pillars along that journey salvation justification the new birth sanctification perfection and glorification It is the passionate will of Jesus Christ through this book to bring to His besieged true Bride truth and clarity of understanding of these areas so that she may regain the narrow road and begin to steadily move forward towards the goal of the crown of salvation that coveted prize of the Christian journey which the Apostle Paul diligently laboured for spoke so passionately of and finally attained himself as we all should and can This first part of the book takes a very close look at exactly how God works in His children profoundly to transform them and get them into heaven Laying out very clearly what God s expectations of us are it also looks at our part in this work that He does both in us and through us with a focus on how to practically overcome our flesh our first enemy Mark 6 34 And Jesus when He came out saw a great multitude and was moved with compassion for them because they were like sheep not having a shepherd So He began to teach them many things *The Christian treasury (and missionary review).* ,1846

Chandler,2022-01-14 Young Stacie is a typical fifteen year old girl who thought she had plenty of time to give her heart to the Lord Little did she know that the decision she made would drastically change her life forever Her mother warned her that the rapture could happen any day and Pastor Ray preached a powerful sermon about the rapture on that fateful Sunday morning Did Stacie wait too late Even though this book is a fictional novel the theme of it rings true One day in the near future the rapture of the church is going to take place This is the next event on God s prophetic calendar where millions of people will vanish from the face of the earth In the Bible 1 Thessalonians 4 16 17 says The dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord It is also described in 1 Corinthians 15 51 58 The aftermath of the rapture will bring great distress and turmoil for all unbelievers who are left behind Their lives will suddenly change as they are plunged into the seven year tribulation period and the new world order The Antichrist will make his appearance and force both small and great to accept his mark or be martyred The decision is yours Will you make a choice to accept Jesus Christ as Lord and Savior of your life Or will you be too late
