Healing Add Simple Exercises That Will Change Your Daily Life:

Rebooting the American Dream Thom Hartmann, 2011-08-01 If we are going to live in a democracy we need to have a healthy middle class tells us what needs to be done to reclaim what it is to be American Eric Utne founder Utne Reader America does not need an upgrade For years the Right has been tampering with one of the best political operating systems ever designed The result has been economic and environmental disaster In this hard hitting book nationally syndicated radio and television host and bestselling author Thom Hartmann outlines eleven common sense proposals deeply rooted in America's history that will once again make America strong and Americans not corporations and billionaires prosperous Some of these ideas will be controversial to both the Left and the Right but the litmus test for each is not political correctness but whether or not it serves to revitalize this country we all love and make life better for its citizens Moms with ADD

Christine Adamec, 2000-10-01 Agonize no more frustrated moms Moms with ADD is here to help Rather than pathologize ADD or speculate on causes or medical rationales Moms with ADD enables readers to recognize ADD and optimize their parenting skills Filled with anecdotes quotations and examples Christine A Adamec coauthor of Do You Have Attention Deficit Disorder offers practical coping strategies for family and job related concerns This easy to read manual is guaranteed to make moms with ADD happier at home and in the office Imagine Marianne Williamson, 2000 More than thirty distinguished contributors share their thoughts beliefs and concrete suggestions on how to create a brighter more enriching America in the twenty first century covering such topics as health the environment education politics and technology in essays by Gloria Steinem Thomas Moore Sarah Ban Breathnach Deepak Chopra and other notables 100 000 first printing

Living with ADHD Thom Hartmann, 2020-05-05 A practical system for those with ADHD to take back their personal power and embrace their unique talents for success in the modern world Explains how those with ADHD grow up wounded by the negative labels and attitudes surrounding them and their diagnosis Shares simple and fast acting techniques from neurolinguistic programming NLP to recalibrate painful memories into valuable learning experiences re pattern learned behaviors and negative habits and discover personal motivation Reveals how the novelty seeking behaviors of those with ADHD are valuable assets to society and should be embraced rather than suppressed One of the first rules of child rearing is condemn the behavior not the child Yet this commonsense rule doesn't seem to apply in the case of attention deficit disorder or ADHD where the very name of the condition implies that those labeled with it are disordered deficient and incapable of paying attention Those with ADHD grow up wounded told by teachers guidance counselors even parents that they are dysfunctional and unable to succeed in the normal world But as ADHD expert Thom Hartmann explains those with ADHD are capable of great success if they can shift the negative self image created by others and learn to work with their unique strengths In this accessible guide for adults with ADHD and the parents and teachers of ADHD children Hartmann offers a practical system of useful tools and strategies to heal the damage done to a person who grew up labeled as dysfunctional and

help them cope with and succeed at daily life He explains how the character traits of ADHD were once valuable assets in hunter gatherer societies and that the later dominance of agricultural and industrial societies where farmer and worker skillsets excel left ADHD hunters as behavioral outcasts Sharing simple and often fast acting techniques from neurolinguistic programming NLP Hartmann explains how those with ADHD can take back their personal power recalibrate painful memories into valuable learning experiences shed fears and negative habits and rebuild their self image in a positive way By integrating the strategies in this book into daily life those with ADHD can transform their way of responding to the world discover personal motivation and teach their children to do the same As Hartmann reveals it is not ADHD that needs to be healed but our attitudes toward those born with the hunter gift

ADHD Thom Hartmann, 2019-09-03 A newly revised and updated edition of the classic guide to reframing our view of ADHD and embracing its benefits Explains that people with ADHD are not disordered or dysfunctional but simply hunters in a farmer s world possessing a unique mental skill set that would have allowed them to thrive in a hunter gatherer society Offers concrete non drug methods and practices to help hunters and their parents teachers and managers embrace their differences nurture creativity and find success in school at work and at home Reveals how some of the world s most successful people can be labeled as ADHD hunters including Benjamin Franklin Thomas Edison and Andrew Carnegie With 10 percent of the Western world s children suspected of having Attention Deficit Disorder or ADHD and a growing number of adults self diagnosing after decades of struggle the question must be raised How could Nature make such a mistake In this updated edition of his groundbreaking classic Thom Hartmann explains that people with ADHD are not abnormal disordered or dysfunctional but simply hunters in a farmer s world Often highly creative and single minded in pursuit of a self chosen goal those with ADHD symptoms possess a unique mental skill set that would have allowed them to thrive in a hunter gatherer society As hunters they would have been constantly scanning their environment looking for food or threats distractibility they d have to act without hesitation impulsivity and they d have to love the high stimulation and risk filled environment of the hunting field With our structured public schools office workplaces and factories those who inherit a surplus of hunter skills are often left frustrated in a world that doesn t understand or support them As Hartmann shows by reframing our view of ADHD we can begin to see it not as a disorder but as simply a difference and in some ways an advantage He reveals how some of the world s most successful people can be labeled as ADHD hunters and offers concrete non drug methods and practices to help hunters and their parents teachers and managers embrace their differences nurture creativity and find success in school at work and at home Providing a supportive survival guide to help fine tune your natural skill set rather than suppress it Hartmann shows that each mind whether hunter farmer or somewhere in between has value and great potential waiting to be tapped

Unequal Protection Thom Hartmann, 2011-04 Unequal Protection details the deeply destructive results Corporations now enjoy extraordinary priveleges that make them virtually independent kingdoms This new feudalism is not what our founders

intended Hartmann proposes specific legal remedies that could truly save the world from political economic and ecological disaster It s time for we the people to take back our lives With huge corporations now benefiting from massive taxpayer funded bailouts Hartmann s hard hitting critique of corporate personhood is more timely than ever This new edition has been thoroughly updated and features Hartmann s analysis of two recent critical Supreme Court corporate speech cases

Decisions, Decisions Randy Green,2010-09-01 At an impasse over relationships jobs or health matters Choosing just got a whole lot easier Decisions Decisions is for anyone who s been stuck in an unfulfilling relationship they can t decide whether to leave anyone plodding along in the same job for years without advancing their goals anyone who feels like a prisoner of poor habits that perpetuate an unhealthy lifestyle and anyone who just accepts whatever comes their way instead of proactively making smart decisions This book helps these people learn how to shift the way they decide With case studies and checklists throughout Decisions Decisions is organized into three parts that lead readers to understand their behavior and learn how to change it Psychologist Randy W Green PhD begins by illustrating how people become paralyzed by their own rules leading to indecision and poor decisions that can have serious health consequences He then explores how past traumas and stress reactions inhibit present choices and the effects our own unique body language has on decision making And he shows how to make better decisions by shifting our attention away from where we want it least and toward what is possible leading to good decisions that are truly in our best interests

The Hidden History of Monopolies Thom Hartmann,2020-08-25 This is the most important dynamic book on the cancers of monopoly by giant corporations written in our generation from the foreword by Ralph Nader American monopolies dominate control and consume most of the energy of our entire economic system they function the same as cancer does in a body and like cancer they weaken our systems while threatening to crash the entire body economic American monopolies have also seized massive political power and use it to maintain their obscene profits and CEO salaries while crushing small competitors But Thom Hartmann America s 1 progressive radio host shows we ve broken the control of behemoths like these before and we can do it again Hartmann takes us from the birth of America as a revolt against monopoly remember the Boston Tea Party to the largely successful efforts of both Presidents Theodore and Franklin Roosevelt and other like minded leaders to restrain corporations monopolistic urges to the massive changes in the rules of business starting during the Reagan Revolution that have brought us to the cancer stage of capitalism He shows the damage monopolies have done to so many industries agriculture healthcare the media and more Individuals have taken a hit as well the average American family pays a 5 000 a year monopoly tax in the form of higher prices for everything from pharmaceuticals to airfare to household goods and food But Hartmann also describes commonsense historically rooted measures we can take such as revitalizing antitrust regulation taxing great wealth and getting money out of politics to pry control of our country from the tentacles of the monopolists

The Hidden History of American Healthcare Thom Hartmann,2021-09-07 The New York Times bestselling author explores the history of American

healthcare system what went wrong and how it can be remedied Popular progressive radio host and bestselling author Thom Hartmann reveals how and why attempts to implement affordable universal healthcare in the United States have been thwarted and what we can do to finally make it a reality For profit health insurance is the largest con job ever perpetrated on the American people one that has cost trillions of dollars and millions of lives since the 1940s says Thom Hartmann Other countries have shown us that affordable universal healthcare is not only possible but also effective and efficient Taiwan s single payer system saved the country a fortune as well as saving lives during the coronavirus pandemic enabling the country to implement a nationwide coronavirus test and contact trace program without shutting down the economy This resulted in just ten deaths while more than 500 000 people have died in the United States Hartmann offers a deep dive into the shameful history of American healthcare showing how greed racism and oligarchic corruption led to the current sickness for profit system Modern attempts to create versions of government healthcare have been hobbled at every turn including Obamacare There is a simple solution Medicare for all Hartmann outlines the extraordinary benefits this system would provide the American people and economy and the steps we need to take to make it a reality It s time for America to join every industrialized country in the world and make health a right not a privilege

The Hidden History of American Democracy Thom Hartmann,2023-07-18 America s most popular progressive radio host and New York Times bestselling author Thom Hartmann paves the way to saving our democracy In this powerful sweeping history and analysis of American democracy Thom Hartmann shows how democracy is the one form of governance most likely to produce peace and happiness among people With the violent exception of the Civil War American democracy resisted the pressure to disintegrate into factionalism for nearly two centuries and now our very system of democratic elections is at stake So how do we save our democracy Hartmann s newest book in the celebrated Hidden History Series offers a clear call to action and a set of solutions with road maps for individuals and communities to follow to create a safer more just society and a more equitable and prosperous economy

The Hidden History of Neoliberalism Thom Hartmann,2022-09-13 A progressive radio host and author reveals how neoliberalism became so prevalent in the United States and why it s time for us to turn our backs to it With four decades of neoliberal rule coming to an end America is at a crossroads In this powerful and accessible book Thom Hartmann demystifies neoliberalism and explains how we can use this pivotal point in time to create a more positive future This book traces the history of neoliberalism a set of capitalistic philosophies favoring free trade low taxes on the rich financial austerity and deregulation of big business up to the present day Hartmann explains how neoliberalism was sold as a cure for wars and the Great Depression He outlines the destructive impact that it has had on America looking at how it has increased poverty damaged the middle class and corrupted our nation s politics America is standing on the edge of a new progressive era We can continue down the road to a neoliberal oligarchy Or we can choose to return to Keynesian economics and Alexander Hamilton s American Plan by raising taxes on the rich reversing free trade and building a society that works

for all The destabilization neoliberalism s policies have wrought have left our generation with the task to rebuild and Hartmann s book shows the way Leila Conners founder and Director Tree Media and Need to Know N2K Thom Hartmann makes it crystal clear how neoliberal free market economics benefits monopolistic big business and the ultrarich while impoverishing our country and everyone else Earl Katz progressive activist and Emmy nominated documentary film producer This compact handbook nimbly recapitulates the political effects of neoliberalism as it percolated through world history George DiCaprio The Hidden History of Guns and the Second Amendment Thom Hartmann,2019-06-04 In this precise primer on firearms practices and policies progressive talk show host Hartmann examines the history of routine gun usage and extreme gun violence and assesses the influence of gun ownership on contemporary political economic and social norms A brief but powerful analysis of a searing national crisis Booklist Taking his typically in depth historically informed view Thom Hartmann examines how guns have played important roles throughout American history from early European settlement to the Revolutionary War and Manifest Destiny through the use of Slave Patrols in the Deep South which became the well regulated militias so debated in 1787 to the assassination of John F Kennedy and recent school massacres Looking at the present Hartmann documents how inequality in America and the number of people killed in mass shootings have grown together over the last fifty years Finally he identifies a handful of common sense and powerful solutions that would address the issue at different levels from getting money out of politics to get the National Rifle Association out of lobbying to passing laws that would treat gun ownership like car ownership title license insurance to addressing the social despair and economic inequality that drive violent crime and mass shootings *Teaching Learning* Sid Jacobson,2013-07 Since the 1970 s educators psychologists and politicians have continually stressed the need to help children actually learn how to learn This groundbreaking book is the first of its kind to do just that Aimed at parents who want to start their kids off on the right track this book is actually a step by step course to help you teach your kids how to learn It s filled with explanations exercises tips check lists and guidelines to help you at every step in the process Your kids won t learn these things in school because schools aren t equipped to provide it Here is your chance to make up for what s missing in the classroom You won t find anything like it anywhere else THIS BOOK IS GREAT Sid has written what may be the definitive guide for parents and anyone else who works with children He literally covers it all how to prepare yourself the most important things you need to pay attention to when you are working with children to help them succeed Joseph Riggio Ph D Cognitive Scientist author of The State of Perfection The frustration with learning can be greatly alleviated if we apply the principles and processes offered in this book If you are a parent teacher or have ever been a young frustrated learner you will love this book Judith DeLozier Co author of NLP II The Next Generation In a remarkably practical and engaging way Sid Jacobson offers helpful and unique suggestions for how to help kids to fall in love with learning to learn It is clear that Sid is sharing a passion that he has developed for many years I highly recommend this book Stephen Gilligan Ph D Psychologist author of The Courage To

Love The Hidden History of American Oligarchy Thom Hartmann, 2021-02-01 The New York Times bestselling author looks at the real history of the corrupting influence of oligarchy in America and how we can fight back Billionaire oligarchs want to own our republic and they're nearly there thanks to legislation and Supreme Court decisions that they have essentially bought They put Trump and his political allies into office and support a vast network of think tanks publications and social media that every day push our nation closer and closer to police state tyranny The United States was born in a struggle against the oligarchs of the British aristocracy and ever since then the history of America has been one of dynamic tension between democracy and oligarchy And much like the shock of the 1929 crash woke America up to glaring inequality and the ongoing theft of democracy by that generation's oligarchs the coronavirus pandemic of 2020 has laid bare how extensively oligarchs have looted our nation's economic system gutted governmental institutions and stolen the wealth of the former middle class Thom Hartmann the most popular progressive radio host in America and a bestselling author traces the history of this struggle against oligarchy from America's founding to the United States war with the feudal Confederacy to President Franklin Roosevelt's struggle against economic royalists who wanted to block the New Deal In each of those cases the oligarchs lost the battle But with increasing right wing control of the media unlimited campaign contributions and a conservative takeover of the judicial system we're at a crisis point Now is the time for action before we flip into tyranny We've beaten the oligarchs before and we can do it again Hartmann lays out practical measures we can take to break up media monopolies limit the influence of money in politics reclaim the wealth stolen over decades by the oligarchy and build a movement that will return control of America to We the People Praise for The Hidden History of American Oligarchy For every American interested in protecting our democracy everyone puzzled about how America came to the brink of authoritarian rule and for all who enjoy a being educated and entertained by enthralling eye opening riveting journey in U S history The Hidden History of Oligarchy is a must read Don Siegelman former Governor of Alabama author of Stealing Our Democracy Thom Hartmann is America's history teacher a national treasure laying it out scary and clear tyranny can happen here Oligarchy's choking democracy Mimi Kennedy actress board member Progressive Democrats of America **Hidden History of American Democracy** Thom Hartmann, 2011-01-10 America's most popular progressive radio host and New York Times bestselling author Thom Hartmann paves the way to saving our democracy In this powerful sweeping history and analysis of American democracy Thom Hartmann shows how democracy is the one form of governance most likely to produce peace and happiness among people With the violent exception of the Civil War American democracy resisted the pressure to disintegrate into factionalism for nearly two centuries and now our very system of democratic elections is at stake So how do we save our democracy Hartmann's newest book in the celebrated Hidden History Series offers a clear call to action and a set of solutions with road maps for individuals and communities to follow to create a safer more just society and a more equitable and prosperous economy **Raising a Son** Don Elum, Jeanne Elum, 2012-01-04 Boys pose special challenges for

today's stressed parents In *Raising A Son* the Eliums embrace the challenges and the joys of raising boys with compassion commitment experience patience and humor This fully updated and expanded edition follows the psychological development of boys from infancy to young adulthood Look for new sections on media and violence the boy code age appropriate morality the out of control son triggers for aggression when and how to get help coping with guilt the highly sensitive son triggers for withdrawal why he gets overwhelmed hypersensitivity and ADD the right role models *Social Issues in America* James Ciment, 2015-03-04 Truly comprehensive in scope and arranged in A Z format for quick access this eight volume set is a one source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society Entries cover the full range of hotly contested social issues including economic scientific environmental criminal legal security health and media topics Each entry discusses the historical origins of the problem or debate past means used to deal with the issue the current controversy surrounding the issue from all perspectives and the near term and future implications for society In addition each entry includes a chronology a bibliography and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates **Wrestling Through Adversity** Dr. Christine M. Silverstein, 2023-09-19 From the dark ages the treatment of those mentally ill has progressed from chaining to a wall those afflicted with mental disturbance who never saw the light of day However in US emergency rooms our young people on the brink of despair are held hostage for psychiatric care We have been bound to the antiquated biomedical model of mental health care It is fortunate that we as a society are experiencing a mental health crisis of enormous proportions currently only in the sense that we are beginning to hear a wake up call as we witness a total breakdown of our mental healthcare system regarding the mental stability of our youth and other groups of everyday people Healthcare professionals and societies are beginning to understand that mental health is integral to overall health and is more than the absence of symptoms of psychological distress The mastery important to us all includes the acquisition of the capacity to reflect to relate on a deep level with others emotionally and to empathize in the face of change or stressful situations Resilient young people who possess these qualities and the ability to wrestle through adversity when they have the skillsets to do so lead more successful lives when they know how to make lemonade out of lemons *The Hidden History of the Supreme Court and the Betrayal of America* Thom Hartmann, 2019-10-01 The New York Times bestselling author delivers a full throated indictment of the U S Supreme Court in this punchy polemic Publishers Weekly In this book Thom Hartmann the most popular progressive radio host in America explains how the Supreme Court has spilled beyond its Constitutional powers and how we the people should take that power back Taking his typically in depth historically informed view Thom Hartmann asks What if the Supreme Court didn't have the power to strike down laws According to the Constitution it doesn't From the founding of the republic until 1803 the Supreme Court was the final court of appeals as it was always meant to be So where did the concept of judicial review start As so much of modern American history it began with the battle between the

Federalists and Anti Federalists and with Marbury v Madison Hartmann argues it is not the role of the Supreme Court to decide what the law is but rather the duty of the people themselves He lays out the history of the Supreme Court of the United States from Alexander Hamilton s defense to modern day debates with key examples of cases where the Supreme Court overstepped its constitutional powers The ultimate remedy to the Supreme Court s abuse of power is with the people the ultimate arbiter of the law using the ballot box America does not belong to the kings and queens it belongs to the people A meticulously documented strategy for trimming the power of nine ideologically motivated political activists unaccountable to the will of the people important and timely David Korten author of When Corporations Rule the World **Welcoming Children with Special Needs** Sally Patton,2004
