## Healing Scents Reibue O:

**Asceticism and Healing in Ancient India** Kenneth G. Zysk, 1998-01-01 The rich Indian medical tradition is usually traced back to Sanskrit sources the earliest of which cannot much antedate the common era In this book Kenneth Zysk shows that Buddhist scriptures some centuries older than this contain abundant information about medical practice and are our earliest evidence for a rational approach to medicine in India He argues that Buddhism and the medical tradition were mutually supportive that Buddhist monks and people associated with them contributed to the development of medicine while their skills as physical as well as spiritual healers enhanced their reputation and popular support Drawing on a wide range of textual archaeological and secondary sources Zysk first presents an overview of the history of Indian Medicine in its religious context He then examines primary literature from the Pali Buddhist Canon and from the Sanskrit treatises of Bhela Caraka and susruta By close comparison of these two bodies of literature Zysk convincingly shows how the theories delineated in the medical classics actually became practice Healing and Restoring Lawrence Eugene Sullivan, 1989 Facsimile Reprint, 1946

*Design at Home* Grace Lees Maffei, 2013-12-17 Domestic advice literature is rich in information about design ideals of domesticity consumption and issues of identity yet this literature remains a relatively neglected resource in comparison with magazines and film *Design at Home* brings together etiquette homemaking and home decoration advice as sources in the first systematic demonstration of the historical value of domestic advice literature as a genre of word and image and a discourse of dominance This book traces a transatlantic domestic dialogue between the UK and the US as the chapters explore issues of design domesticity consumption social interaction and identity markers including class gender and age Areas covered include the use of domestic advice by historians relationships between advice housing and the middle class links between advice and gender advice and the teenage consumer *Design at Home* is essential reading for students and scholars of cultural and social history design history and cultural studies **Biological & Agricultural Index**, 1952
