many but realized by few Productive thinking has produced many great leaders and geniuses over the centuries even today Unfortunately only few individuals today are able to get people's attention with their creativity make a name or create the change they want to see in their environment The most important aspect of being creative is finding relevance beating time and having a consistent stimulation to create even better version of an existing creation Overcoming creative limitations will provide a MENTAL DWELLING PLACE where most geniuses and great leaders such as Albert Einstein Ronald Reagan Thomas Edison and The French Emperor Napoleon interpret as creative paradise The Creative Treasures provides the energy and power needed to influence the social environment and to provide a new perspective about an existing phenomenon Winston Churchill confessed of using one of these creative boosters to finish twice as much work every day All THE CREATIVE TREASURES in this book are deducted from in depth scientific researches and studies made on normal people to prove the most effective brain stimulation techniques in order to achieve a deeper social influence using unique creations This includes reversal energy management ultimate disconnection to achieve a deeper connection toward a profitable reality and also capitalistic social intelligence After reading the first 3 chapters you can be assured of a new creative insight This discipline eliminates pressure and uncertainty about the value of your creation It also proves the essence of speed with real life examples as an important factor to achieve effectiveness What are you waiting for Take a step further for change and ultimate personal growth by adding this book to your library Tag Creative confidence Creative visualization Creative habit creative thinking Motivational Inspirational Creativity for kids Creative correction Creative bible how to be creative how to boost your creativity how to boost your productivity at the workplace work from home      *Teaching Palahniuk: The Treasures of Transgression in the Age of Trump and Beyond* Christopher Burlingame, 2022-05-10 While much has been written about Chuck Palahniuk and his body of work next to nothing has been written about when where and how it is necessary to teach Palahniuk This collection will reveal that teaching Palahniuk's work and the discursive dynamic of the classroom interactions create new opportunities for scholarship by both the faculty member and his or her students Despite early critical success with *Fight Club* *Invisible Monsters* and *Choke* Palahniuk's novels are increasingly dismissed for the very transgressive content that makes them essential pedagogical tools in the Age of Trump where truth isn't truth and tribalism is stoked with claims of fake news This collection aims to broaden the scholarship by examining under represented and unrepresented works from his oeuvre and situating them in the context of their pedagogical implications In both form and content the transgressive nature of Palahniuk's work demands critical thought and reflection capacities that are necessary for the preservation of a democratic society Contributors take various approaches to address what students can learn about writing literature and society by reading and analyzing Palahniuk's texts The collection will discuss the value of teaching Palahniuk innovations and various disciplinary contexts for teaching his works and reflections on some of those pedagogical opportunities Through its multi faceted discussion of Palahniuk and pedagogy this collection will legitimize efforts to bring

his work onto syllabi and into the classroom where it can enhance student engagement create new avenues for interdisciplinary scholarship and re invigorate an expansion of the canon It will also provide diverse frameworks for incorporating and interpreting Palahniuk s writing across disciplines Finally the collection will offer post mortems from faculty members who have found the guts to teach Palahniuk and will offer insight into what students have gained and stand to gain from a more intensive Palahniuk pedagogy

**Steps to the Altar** Tobe Momah,2014-03-26 Over the years Ive fielded many questions about shame so Im always on the lookout for a comprehensive and anointed guide for people dealing with shame Frankly I dont have all the answers but I know that Jesus Christ through the blood that He poured out is the answer Thus it was great for me to find out about STEPS to the Altar by Dr Tobe Momah It is a tremendous source for the important information and instruction that every believer needs and is sometimes embarrassed to ask others about I believe this book is valuable and important You should read this book voraciously and keep it around when you are faced with the pitfalls and speed bumps of shame Dr Momah espouses a tremendous prescription that captured my complete attention Every reader will find much that can contribute to bringing about the complete deliverance you need from the unnecessary bondage of shame
