

Solving Gang Problems

- The problems caused by gangs can be solved in many ways. What I propose is harsher punishments for gang members committing crimes than somebody who is not gang affiliated. Also I believe there should be more police departments with special gang units to crackdown on gang activities.

How To Solve The Innercity Gang Problem

Scott Cummings, Daniel J. Monti

How To Solve The Innercity Gang Problem:

How to Solve the Inner-city Gang Problem Arthur L. Farahkhan, 1996 An analysis of the major infrastructures that influence inner city youth The infrastructures or systems include the public schools criminal justice religion media Phone 918 827 6096

The Youth Gang Problem Irving A. Spergel, 1995-06-01 Every day there are new stories of gang related crime from the proliferation of illegal weapons in the streets and children dealing drugs in their schools to innocent bystanders caught in the crossfire of never ending gang wars Once considered an urban phenomenon gang violence is permeating American life spreading to the suburbs and bringing the problem closer to home for much of America The government schools social agencies and the justice system are conspicuous by their sporadic interest in the subject and have failed to develop effective policies and programs Existing social support mechanisms and strategies for suppressing violence have often been unsuccessful And state and federal policy is largely nonexistent In *The Youth Gang Problem A Community Approach* Irving Spergel provides a systematic analysis of youth gangs in the United States Based on research historical and comparative analysis and agency documents and the author's extensive first hand experience the work explores the gang problem from the perspective of community disorganization especially population movement and the plight of the underclass It examines the factors of gang member personality gang dynamics criminal organization and the influence of family school prisons and politics as well as the response of criminal justice agencies and community groups Spergel describes techniques used by social agencies schools employment programs criminal justice agencies and grass roots organizations for dealing with gangs and recommends strategies that emphasize the use of local resources planning and collaborative procedures There is no single strategy and no easy solution to the youth gang problem in the United States There are however substantial steps we can take and they must be honestly and systematically tested Offering a practical and alternative approach to a serious social problem *The Youth Gang Problem A Community Approach* is a major and long awaited contribution to this dilemma It is required reading for criminal justice personnel school staff social workers policy makers students and scholars of urban and organizational sociology and the general reader concerned with the youth gang problem and how to control intervene and prevent it

Too Young To Die: Inner City Adolescent Homicides Dr. Earl Bracy, 2020-10-19 Here at last is a comprehensive study that examines via an extensive review of the literature the psychological variables that contribute to black on black male adolescent homicides And here also are clear direction signs for the future research that is needed

Police Problem Solving Quint Thurman, J.D. Jamieson, 2014-09-25 Offering a balanced approach to problem solving issues in a complex and changing world this book focuses specifically on the subject of problem solving in policing Featured selections include chapters on domestic security disorderly youth auto theft prostitution gang delinquency and crime in public housing Other notable selections discuss the role of supervising police personnel engaged in problem solving advances in using this approach in criminal investigations solving serial crimes preparing for

terrorism and developing patrol officers as effective first responders to active violence **Problems for Democracy**

,2022-03-28 This book based on the premise that democracy promotes peace and justice explores theoretical and practical problems that can arise or that have arisen in democratic polities Contributors address with clarifying analyses such theoretical issues as the relationship between recursivist metaphysics and democracy the relationship between the economic and political orders and the nature of justice Contributors offer as well enlightening resolutions of practical problems resulting from a history of social political or economic injustice **Addressing Community Gang Problems** ,1998

Rebuilding the Inner City Robert Halpern,1995 Neighborhood based initiatives ranging from settlement houses in the nineteenth century to the Community Action and Model Cities program of the Great Society to the Empowerment and Enterprise Zones of the 1990s have been called on to help solve a variety of poverty related problems This book examines the history of these initiatives **Solving Poverty** Jim Silver,2016-03-30T00:00:00Z Poverty in Canada s inner cities is deep complex racialized and often intergenerational In this collection of essays published over the past decade Jim Silver argues that urban poverty today includes not only low incomes but in all too many cases also poor housing poor health low educational achievement high levels of neighbourhood violence racism colonialism and social exclusion As a result many poor people experience low levels of self esteem and self confidence and may blame themselves which is reinforced by the dominant blame the victim discourse about poverty Silver argues that today s urban poverty is qualitatively different than the urban poverty of forty years ago and that there are no quick easy or one dimensional solutions In **Solving Poverty** Jim Silver a veteran scholar actively engaged in anti poverty efforts in Winnipeg s inner city for decades offers an on the ground analysis of this form of poverty Silver focuses particularly on the urban Aboriginal experience and describes a variety of creative and effective urban Aboriginal community development initiatives as well as other anti poverty initiatives that have been successful in Winnipeg s inner city In the concluding chapter Silver offers a comprehensive pan Canadian strategy to dramatically reduce the incidence of urban poverty in Canada **Gangs** Scott Cummings,Daniel J. Monti,1993-01-01 This book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge in small and medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other

topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy **Resiliency and Capacity Building in Inner-city Learning Communities** Dawn Leigh

Sutherland,Laura Sokal,2003 The voices that are represented in this book offer differing perspectives on ways to support inner city children and families Each essay offers a unique contribution to our understanding of the interdependence of the people in these communities yet all share the common message that inner city children and families have strengths that can be built on to maximize their positive outcomes This book is especially relevant to teachers who work with children and families with challenges **Inner-City War Zones: A Hidden Crisis** Pasquale De Marco,2025-05-14 Inner City War Zones A Hidden Crisis is a comprehensive examination of the complex issue of gang violence in America Drawing on extensive research and firsthand accounts this book provides a deep dive into the root causes of gang formation the impact of gangs on individuals and communities and the challenges and opportunities for prevention and intervention Inner City War Zones A Hidden Crisis begins by exploring the historical and social factors that have contributed to the rise of gangs in urban areas including poverty inequality and the lack of opportunity It then examines the inner workings of gangs including their structure hierarchy and recruitment practices The book also explores the psychological and emotional factors that drive individuals to join gangs as well as the consequences of gang involvement for both the individuals themselves and their communities The book also takes a critical look at the role of law enforcement and the criminal justice system in responding to gang violence It argues that traditional approaches to gang prevention and suppression have been largely ineffective and have often exacerbated the problem The book calls for a more comprehensive and holistic approach to gang prevention that addresses the root causes of gang formation and provides support and opportunities for at risk youth Inner City War Zones A Hidden Crisis concludes with a discussion of promising new approaches to gang prevention and intervention including community based programs mentorship programs and educational initiatives It also highlights the importance of collaboration between law enforcement community organizations and other stakeholders in developing effective gang prevention strategies This book is an essential read for anyone concerned about the issue of gang violence in America It provides a comprehensive overview of the problem its causes and its consequences and it offers a roadmap for developing more effective prevention and intervention strategies Inner City War Zones A Hidden Crisis is a must read for Law enforcement officers and policymakers Community activists and organizers Social workers and counselors Educators and youth workers Parents and concerned citizens If you are looking for a comprehensive and authoritative resource on gang violence in America then Inner City War Zones A Hidden Crisis is the book for you If you like this book write a review on google books **National Problems, Local Solutions, Federalism at Work** United States. Congress. House. Committee

on Government Reform,1999 *National Problems, Local Solutions* United States. Congress. House. Committee on Government Reform,1999 *Encyclopedia of Criminology* J. Mitchell Miller,Richard A. Wright,2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field s multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field **National Problems, Local Solutions,**

Federalism at Work: Fighting crime in the trenches United States. Congress. House. Committee on Government Reform,1999 **The Growth of Youth Gang Problems in the United States, 1970-98** Walter Benson Miller,2001

Michael Jordan, Inc. David L. Andrews,2001-08-09 Michael Jordan Inc seeks to make sense of a celebrated figure whose public existence illuminates a late capitalist order defined by the convergence of corporate and media interests Using Michael Jordan as a vehicle for viewing the broader social economic political and technological concerns that frame contemporary culture the contributors focus on celebrity economy corporate culture identity politics and the global marketplace foundational pillars of contemporary cultural existence They provide an introduction to late capitalism s pervasive and invasive cult of celebrity examine the innovative corporate connections particularly Jordan s association with Nike largely responsible for Jordan s aggressively commodified being excavate the cultural politics imbued within the racialized and sexualized nature of Jordan s identity and demonstrate the global reach and influence that has accompanied the concerted commodification of Jordan by transnational corporations This anthology represents both an intellectual expression of and a political commitment to the fact that Michael Jordan matters **Oversight Hearing on Safe School**

Study United States. Congress. House. Committee on Education and Labor. Subcommittee on Economic Opportunity,1978

DARE to Say No Max Felker-Kantor,2024-02-14 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into

schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality

Identity and Inner-City Youth Shirley Brice Heath, Milbrey McLaughlin, 1993 What do effective youth organizations offer inner city youngsters that schools do not This book suggests that educators can learn much from inner city social and youth organizations which reach at risk youngsters by developing a sense of family that many of them fail to get at home Addressing a variety of issues collaboration across organizations the role of gangs in social control the historical roles of ethnicity and gender in youth organizations Heath and McLaughlin describe frames for identity that extend beyond ethnicity and gender
