Listing to Sell Willie ELLINGTON, 2020-01-31 Are you a Real Estate Agent looking for a blueprint on how to sell homes in your area? After working in real estate in some capacity since 1999, Dr. Willie C. Ellington Jr., host of ATL Listings TV, ATLlistings.com, wants to teach you how to list and sell real estate in any market. Even though we are living in a digital age where most goods are bought and sold online, the job of the realtor is still quite relevant to the real estate industry. People who come to real estate agents view them as experts in the field. There are a few checks to make sure that the property sale goes through without a hiccup or any unexpected delays. As a realtor, you occupy a central position throughout the proceedings of the sale. Selling the house is a serious transaction and you need to gain the trust of your client by displaying professionalism, integrity, honesty and knowledge of the market. Be attentive to the needs of your clients and address issues with attention to detail. Remember, having a winning mindset can make all the difference. Reading about other real estate agents will help you learn from other people's successes. As they say, imitation is the sincerest form of flattery, well then get up and start imitating. Your reputation precedes you and testimonials can help you secure the trust of future clients. Conversing and learning from other successful real estate professionals is an excellent way of improving your business. If it works for them, there is no reason why

it would not work for you When negotiating be ruthless and competitive but know when to stop This book has covered the basics of listing for success And now that you are in possession of this knowledge it is time to start acting on it Just remember success is not overnight it is years of concerted effort and dedication **Staging to Sell Barb**
