50 More Small Paintings Mark Daniel Nelson, 2020-06-09 Rejoice in this second volume of 50 mini paintings from Mark Daniel Nelson to practice your painting techniques and add to your portfolio of small works. Actively learn all you need to know about acrylic painting as you create these all new projects following the illustrated step by step instructions. Like the first book, the prospect and promise are both exciting and addictive. This book explains a range of painting techniques including creating complex scenes, varying brush strokes, negative space, rendering multiple planes, reflections on metal and color, and how to use it. Each fun project teaches a different technique and adds another piece of art to your own mini art collection. Projects vary from abstracts and simple color mixing exercises to figurative subjects: a flower, a sunset, a busy street scene, and many more. These can be mounted, exhibited, collected in a portfolio, or given away as gifts for friends to cherish. Each project adds skills to your repertoire, leaving you primed to dive into more complex theory and practice. If you are coming to acrylics for the first time or are keen to improve your skills and sometimes daunted by the thought of filling a large empty canvas or blank piece of board, this is your ideal guide. These small paintings will free you from creative hang-ups and replace them with an addictive desire to create that next 5 inch square. *Painting With Acrylics* Ian Coleman, 2015-01-26 Acrylics are a versatile and exciting medium, but how can you get the most from these paints? This book shows you how. With step by step examples, it explains the core brush skills for a beginner. For those with more experience, it introduces a range of techniques so you can learn, for example, how to blend your colours, use transparent washes to create tones, and paint multiple layers of thick and thin textures to give your work subtlety. The paints are so forgiving that there are no rules, just opportunities to have fun and experiment with their great potential. There are eleven classic paint techniques featured. With Ian's clear instruction, this book guides you through the principles of handling the paint, which can be applied to any style of painting, however loose, expressive, or abstract it may be. **How to Paint** Tim Fisher, 2011-12-02 Tim Fisher makes the most of the superbly versatile qualities of acrylics and demonstrates his own innovative and inspiring techniques for painting a gorgeous selection of popular flowers.
