How To Read Prophecy:

How to Read Prophecy Joel B. GREEN, 1986 *How to Read and Understand the Biblical Prophets* Peter J. Gentry, 2017-06-20 A Concise Guide to Reading the Prophetic Books The Prophetic Books of the Bible are full of symbolic speeches dramatic metaphors and lengthy allegories a unique blend of literary styles that can make them hard to comprehend How can we know if we are reading them the way God intended them to be read In this accessible guide leading Old Testament scholar Peter Gentry identifies seven common characteristics of prophetic literature in the Bible that help us understand each book's message With illustrations and clear examples Gentry offers guidance for reading these challenging texts teaching us practical strategies for deeper engagement with the biblical text as we seek to apply God's Word to our lives today **How to Read the Prophets** Buchanan Blake, 1892 **How to Read the Prophets: Ezekiel** Buchanan Blake, 1894 *How to Read the Prophets: The pre-exilic minor prophets (with Joel)*. 2d ed Buchanan Blake, 1893 **How to Read the Prophets** Jean-Pierre Prevost, 1997-04 Aims to give readers a start in actually reading and appreciating the prophets in the Bible **Reading Prophetic Poetry** Barbara Bakke Kaiser, 2019-10-08 This volume seeks to guide students in religious or literary studies or other interested readers toward understanding and appreciation of biblical prophetic poetry Each of the three sections of the book includes a chapter examining one of the literary features with brief examples from prophetic texts followed by another chapter of applied criticism of a full prophetic poem Joel 2 on parallelism Jeremiah 4 on voice and Isaiah 24 on design Among the distinct features of the book are diagrams of parallel lines promoting two dimensional binocular reading of the poems Of all the literature of the Bible prophetic poetry has probably been least accessible to the modern reader Language is dense images are obscure and logical development of ideas seems almost inaccessible Reading Prophetic Poetry seeks to help readers appreciate the luminous beauty of the language and the austere power and surprising relevance of the ideas in these relatively obscure biblical texts It introduces an accessible approach to prophetic poetry which invites readers to turn to the biblical texts on their own with new ideas for appreciating the riches of these ancient poems *How to Read the Bible* Marc Zvi Brettler, 2010-01-01 Master Bible scholar and teacher Marc Brettler argues that today's contemporary readers can only understand the ancient Hebrew Scripture by knowing more about the culture that produced it And so Brettler unpacks the literary conventions ideological assumptions and historical conditions that inform the biblical text and demonstrates how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature Brettler surveys representative biblical texts from different genres to illustrate how modern scholars have taught us to read these texts Using the historical critical method long popular in academia he guides us in reading the Bible as it was read in the biblical period independent of later religious norms and interpretive traditions Understanding the Bible this way lets us appreciate it as an interesting text that speaks in multiple voices on profound issues This book is the first Jewishly sensitive introduction to the historical critical method Unlike other introductory texts the Bible

that this book speaks about is the Jewish one with the three part TaNaKH arrangement the sequence of books found in modern printed Hebrew editions and the chapter and verse enumerations used in most modern Jewish versions of the Bible In an afterword the author discusses how the historical critical method can help contemporary Jews relate to the Bible as a religious text in a more meaningful way **How to Read the Bible** Mary Tay,2008 **How to Read Daniel** Tremper Longman III,2020-05-05 Failing to read Daniel well means missing a critical part of God s message to us Orienting readers to a proper engagement with Daniel Old Testament scholar and teacher Tremper Longman III examines the book s genre structure historical background and major theological message before diving deeper into each of the stories and visions

How to Read the Bible Roddy Braun,2001-05-29 Here is the book for everyone who has ever thought I want to read the Bible but I don t know where or how to begin Although the Bible is the best selling book of all time few people actually read the Bible and even fewer understand the meaning of what they read This book is written to help those who want to read the Bible but have not been able to continue The reason for this failure says Dr Braun is that the Bible is a very difficult book and few people have had anyone to help them get started Here is help for all who are interested in reading the Bible in a way that is not only personally enriching but also intellectually honest It makes pointed recommendations on what kind of Bible you should be reading and what other helps exist to make reading a difficult book easier This book tells you where to begin and what you need to read and what you don t to get started It also points out the different kinds of writings found in the Bibles sixty six books and how to read and interpret each of them For all who have said I ve tried to read the Bible but got lost somewhere between the censuses of Numbers and the laws of Leviticus and Deuteronomy here is what you need to know so you can try it again and this time succeed **How to Read the Prophets: Isaiah (i. -xxxix.). 3d ed** Buchanan Blake,1892

How Prophecy Works William L. Kelly,2019-12-09 There is a longstanding scholarly debate on the nature of prophecy in ancient Israel Until now no study has based itself on the semantics of the Hebrew lexeme n b prophet This investigation by William L Kelly discusses the nature and function of prophecy in the corpus of the Hebrew book of Jeremiah It analyses all occurrences of n b in Jeremiah and performs a close reading of three primary texts Jeremiah 1 4 19 23 9 40 and 27 1 28 17 The result is a detailed explanation of how prophecy works and what it meant to call someone a n b in ancient Israel Combining the results of the semantic analysis and close readings the study reaches conclusions for six main areas of study 1 the function and nature of prophecy 2 dreams and visions 3 being sent 4 prophets priests and cult 5 salvation and doom and 6 legitimacy and authority These conclusions explain the conceptual categories related to n b in the corpus I then situate these findings in two current debates one on the definition of n b and one on cultic prophecy This study contributes to critical scholarship on prophecy in the ancient world on the book of Jeremiah and on prophets in ancient Israel It is the first major study to analyse n b based on its semantic associations It adds to a growing consensus which understands prophecy as a form of divination Contrary to some trends in Jeremiah scholarship this work demonstrates the importance of a close reading of

the Masoretic Hebrew text This study uses a method of a general nature which can be applied to other texts Thus there are significant implications for further research on prophecy and prophetic literature *Reading Prophetic Narratives* Uriel STEEN-NOKLBERG,1997-12-22 a superb example of modern Orthodox Jewish biblical interpretation Interpretation This detailed and intriguing work represents years of thought and meticulous analysis as well as a fresh reading of several familiar prophetic narratives found in the OT The Catholic Biblical Quarterly this book contains well argued and thoughtful literary readings Simon is thoroughly versed in the secondary literature but has managed to write a volume accessible to both scholars and informed general readers Choice Noted biblical scholar Uriel Simon undertakes a systematic study of prophetic narratives in the Bible He focuses on seven stories including Samuel s call to prophecy Saul at Endor and David and Bathsheba analyzing their form and structure their rhetorical devices their descriptions of character and motive their narrative techniques in short on the ways in which the stories are told **The Layman's Manual on Christian**

Apologetics Brian G. Chilton,2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In The Layman s Manual on Christian Apologetics the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God s existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity The Layman s Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton,2022-05-24 The

Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s

people enjoy the scenery of this part of God's word

What You Need to Know About Bible Prophecy in 12 Lessons

Max Anders, 1997-04-23 Prophets Rapture Tribulation Judgment End Times If readers want to know what Christians believe about how the future will unfold this book introduces them to the key terms and concepts of biblical prophecy Showing how Christians differ in their interpretations of prophecy as well as how they agree on core essentials This volume offers a sound approach to an often controversial subject

How to Read the Bible Like a Seminary Professor

Mark Yarbrough, 2015-03-03 Many people admire and even revere the Bible but they simply do not understand what they read much less how to study Scripture Yet they wish they could In this insightful and alternately amusing guide Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity but changes our life To do this the reader will step into the seminary classroom and observe the practical principles the tricks of the trade for becoming a more effective student of the Bible But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay level Bible study Real life is whacky and in your face Studying Scripture should be too

How to Read the Bible for All Its Worth Gordon D. Fee, Douglas Stuart, 2009-10-14 Your Guide to Understanding the Bible Understanding the Bible isn't for the few the gifted the scholarly The Bible is accessible It's meant to be read and comprehended by everyone from armchair readers to seminary students A few essential insights into the Bible can clear up a lot of misconceptions and help you grasp the meaning of Scripture and its application to your 21st century life More than half a million people have turned to *How to Read the Bible for All Its Worth* to inform their reading of the Bible This third edition features substantial revisions that keep pace with current scholarship resources and culture Changes include Updated language A new authors preface Several chapters rewritten for better readability Updated list of recommended commentaries and resources Covering everything from translational concerns to different genres of biblical writing *How to Read the Bible for All Its Worth* is used all around the world In clear simple language it helps you accurately understand the different parts of the Bible their meaning for ancient audiences and their implications for you today so you can uncover the inexhaustible worth that is in God's Word

Tzedek, Tzedek Tirdof: Poetry, Prophecy, and Justice in Hebrew Scripture Andrew Colin Gow, Peter Sabo, 2017-09-25 *Tzedek Tzedek Tirdof* Poetry Prophecy and Justice in Hebrew Scripture Essays in Honor of Francis Landy on the Occasion of his 70th Birthday is a collection of essays by colleagues friends and students of Prof Francis Landy It is the second Festschrift dedicated to this remarkable teacher and colleague friend and mentor and thus bears witness to the remarkable esteem in which Prof Landy is held in the Biblical Studies community and beyond including literary studies film studies and poetry
