The Bodies Keep Coming Brian H. Williams, 2023-09-26 A tour de force that diagnoses the structural root of the violence that plagues us all Trauma surgeon and professor Dr Brian H Williams has seen it all gunshot wounds stabbings and traumatic brain injuries In The Bodies Keep Coming Williams ushers us into the trauma bay where the wounds of a national emergency amass As a Harvard trained physician Williams learned to keep his head down and his scalpel ready As a Black man he learned to swallow the rage when patients told him to take out the trash Just days after the tragic police shootings of two Black men Williams tried to save the lives of police officers shot in Dallas in the deadliest incident for US law enforcement since 9 11 Thrust into the spotlight in a nation that loves feel good stories about heroism more than hard truths about racism Williams came to rethink everything he thought he knew about medicine injustice and what true healing looks like Now in raw and intimate detail Williams narrates not only the events of that night in 2016 but the grief and anger of a Black doctor on the front lines of trauma care Working in the physician writer tradition of Atul Gawande and Damon Tweedy Williams diagnoses the roots of the violence that plagues us He draws a through line between white supremacy gun violence and the bodies he tries to revive and he trains his surgeon s gaze on the structural ills that manifest themselves in the bodies of his patients What if racism is a feature of our healthcare system not a bug What if profiting from racial inequality is exactly what it was designed to do Black and brown bodies will continue to be wracked by all types of violence Williams argues until something changes Until we transform policy and law with compassion and care the bodies will keep coming

A Matter of Timing G.E. Miller,2008-03-20 The New Madrid fault line is one of the deepest most deadly earthquake zones anywhere in the world It runs from Memphis to St Louis along the Mississippi River The last time it woke from slumber in 1811 and 1812 it rattled the Earth over 1 000 times throughout a 2 year period and based upon testimonials from the few people then living in the area at least 8 of the quakes were 8 or better on today s Richter scale Geologists had been predicting the New Madrid would shake again most giving it better than a 50 50 chance by 2025 But Mother Nature didn t want to wait until then For the residents of Memphis and St Louis and all the towns along the Mighty Mississippi chaos and anarchy were waiting in the wings With the United States fully involved militarily in the Middle East making enemies of Islam throughout the World some had been plotting to strike America when it wasn t expecting it September 11 2001 was a sad day but those now plotting against the Western Babylon would seize the opportunity created by a massive earthquake on the New Madrid And this attack would make 9 11 look like a practice run A decorated American hero from Desert Storm with three friends one CNN reporter a Russian mercenary sniper hired to overturn the table of world power and anarchy reigning supreme in the Midwest sets the stage as good versus evil and the haves versus the have nots With United Nations troops setting up camps on American sovereign soil the battle lines are drawn and only the strong will survive As one of our heroines in the story says Perhaps the meek will inherit the Earth but I don t see it happening any time soon 425 pages of action packed adventure
