Daddy: Reflections of Father-Daughter

Relationships K E Garland,2018-04-30 A father s presence is important in a daughter s life He is the first man a little girl sees and knows He demonstrates how men relate to women But what happens when the father daughter relationship is dysfunctional Daddy answers that question Included are fourteen memoirs that describe the impact a failed father daughter relationship can have These women share essays and narratives that detail various stages of breakdown Whether an event occurred in childhood adolescence or adulthood each story explains how their father s physical emotional or psychological abandonment has affected them The book is separated into two parts Part I shows the proverbial truth in the phrase hurt people hurt people While some stories confirm why or how men mistreat their daughters others show how daughters sometimes internalize neglect and continue the cycle either with the relationship they have with themselves or others Part II illustrates how compassion can lead towards a path of inner peace and happiness no matter the state of the relationship

Power from God to Forgive John L. Young, Sr.,2000-09 I wasn t sure how long I was asleep but the next event that occurred has altered the course of my life I remember jumping up screaming in excruciating pain and howling my wife s name as she towered over me holding a now empty cooking pot of steaming hot boiling water that she had just finished dumping onto my body I gasped to pull off the rest of my T shirt that had split in half and embedded into my melting flesh As I was doing this my wife s eyes pierced my soul as she looked at me and murmured in a low pitched tone do you want some more I faintly recall being wheeled through a hospital emergency room and the smell of my boiled flesh I remember looking up at the bright lights and thinking to myself that God said he would put no more on us than we are able to bear I knew I couldn t bear this I lay there shivering from hot and cold bursts of tormenting pain waiting to take my last breath As tears started pouring down my face I heard the voice of God say Forgive her

Warr,2010-05-28 There is more to you than meets the eye he explained Whenever you look in the mirror I know you only expect to see your image but your image reflects only how you look on the outside There is so much more to you than your physical appearance There is more to you than the mirror can show you If you are like most people you have bought into the notion that mirrors don t lie But I am here to tell you that mirrors do lie They tell you half truths which are nothing more than lies They never reveal who you are on the inside I am here to take you beyond the ordinary limits of the mirror
