in love for real while Adrian can never love a human Caitlin trusts Adrian to keep her safe from his demon father but will he be able to protect her heart Temple West's debut novel *Velvet* is a sexy delightful romance chosen by readers like you for Macmillan's young adult imprint Swoon Reads Praise for *Velvet* This romantic Twilight read-alike shines with credible dialogue and fully developed characters School Library Journal *Velvet* is fun and very entertaining with snappy dialogue awesome characters and some solid teen angst *The Windy Pages* *Corrections to My Memoirs* Michael Kun, 2011-03-04 From the author of *A Thousand Benjamins* and *The Locklear Letters* comes an irreverent and hilarious collection of short stories There are the lives we lead And the lives we wish we led The difference between the two is the dilemma that the offbeat characters in *Corrections to My Memoirs* seek to resolve From the fabrications of the misguided autobiographer in the title story to the unusual encounter of the narrator in *The Last Chance Texaco* these are people slowly learning the truth about the world They are discovering that the line between fantasy and reality is as thin as a white lie and that reality can't be altered because we wish it so With a style that is both humorous and heartbreaking Kun reveals the hidden side of human existence and shows us that the difference between what is perceived and what is real is often more significant than we'd like to admit *The Publisher* Alan Brinkley, 2011-04-05 Acclaimed historian Alan Brinkley gives us a sharply realized portrait of Henry Luce arguably the most important publisher of the twentieth century As the founder of *Time* *Fortune* and *Life* magazines Luce changed the way we consume news and the way we understand our world Born the son of missionaries Henry Luce spent his childhood in rural China yet he glimpsed a milieu of power altogether different at Hotchkiss and later at Yale While working at a Baltimore newspaper he and Brit Hadden conceived the idea of *Time* a news magazine that would condense the week's events in a format accessible to increasingly busy members of the middle class They launched it in 1923 and young Luce quickly became a publishing titan In 1936 after *Time*'s unexpected success and Hadden's early death Luce published the first issue of *Life* to which millions soon subscribed Brinkley shows how Luce reinvented the magazine industry in just a decade The appeal of *Life* seemingly cut across the lines of race class and gender Luce himself wielded influence hitherto unknown among journalists By the early 1940s he had come to see his magazines as vehicles to advocate for America's involvement in the escalating international crisis in the process popularizing the phrase World War II In spite of Luce's great success happiness eluded him His second marriage to the glamorous playwright politician and diplomat Clare Boothe was a shambles Luce spent his later years in isolation consumed at times with conspiracy theories and peculiar vendettas *The Publisher* tells a great American story of spectacular achievement yet it never loses sight of the public and private costs at which that achievement came *Love Fortunes and Other Disasters* Kimberly Karalius, 2015-05-12 *Love* is real in the town of Grimbaud and Fallon Dupree has dreamed of attending high school there for years After all generations of Dupree's have successfully followed the 100% accurate love fortunes from Zita's famous Love Charms Shop to happily marry their high school sweethearts It's a tradition So she is both stunned and devastated when her fortune states that she will
