A Nation of Behavers Martin E. Marty, 1976 National Book Award winning author and historian Martin E Marty's *A Nation of Behavers* is a characteristically perceptive new map of American religion Marty's years of astute observation of America's religious trends and developments have yielded six informal but clearly defined clusters around which people attempt to find not only basic group identity but also some kind of power Anyone concerned about belief and its manifestations will be immensely aided by Marty's cogent comments on recent religious happenings *Commonweal* This is a book for everyone more than for the scholar of American religion Its value is in breadth of vision and new interpretation *Dean R Hoge* *Theology Today* As a means of making sense out of the potpourri of competing groups that compose religious America today *A Nation of Behavers* is a first rate tool *Edward A Fiske* *New York Times* Charles Olson Robert Von Hallberg, 1978 Described as one of the most influential American literary figures of the mid 20th century and a near prophet of the Black Mountain School Olson was highly regarded as both a theorist and a poet Here is an examination of Olson's understanding of poetry that provides the framework needed for understanding his work *Prophecies for America* Julie Helen Wosk, 1974 **International Who's Who in Poetry 2005** Europa Publications, 2004 Provides up to date profiles on the careers of leading and emerging poets **Powers of Possibility** Alex Houen, 2012 By outlining a novel concept of literary practice potentialism this text shows how opening up literary possibilities enabled writers such as Allen Ginsberg

Scanlon,C. Engbers,2014-08-05 These essays extend an ongoing conversation on dialogic qualities of poetry by positing various foundations practices and purposes of poetic dialogism The authors enrich and diversify the theoretical discourse on dialogic poetry and connect it to fertile critical fields like ethnic studies translation studies and ethics and literature *The Blue Book* ,1973 **American Book Publishing Record** ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets Memories of a Lost War Subarno Chattarji,2001 In this unique and significant addition to Vietnam studies Memories of a Lost War analyzes the poems written by American veterans protest poets and Vietnamese within political aesthetic and cultural contexts Drawing on a wealth of material often published in small presses and journals the book highlights the horrors of war and the continuing traumas of veterans in post Vietnam America In its inclusion of Vietnamese perspectives the book marks a departure from earlier works that have largely concentrated on Vietnam as a war rather than a country **Blue Book** ,1970
