## **How To Read And Interpret Poetry:**

How to Read Poetry Ethel M. Colson Brazelton, 2017-03-20 From the FOREWORD It may be plainly stated in beginning that this little book is in no sense a didactic or technical treatise that it sheers humbly far away from the academic or educational religion Textbooks conveying formal poetic information offering best and most incontrovertible of studious reasons for the why and how of poetry reading are thicker than flowers in May or sad hearts in war time but here is no hint of addition to their number The best argument that can be advanced in favor of marriage is that marriage has been found happy The best of all reasons for reading poetry is because one loves it And the best way to read poetry is with the love that for love s sake finds its own pathway works its own miracles of sympathy and understanding The simple intent therefore of How to Read Poetry is to assist the lay poetry lover far more numerous and universal than might be imagined to comprehend and if necessary defend his affection to remove the curse too widely laid by scholastic injunctions and required reading to persuade the non poetic reader who for whatever reason believes that he does not like poetry that at heart he really does

**How to Preach the Prophets for All Their Worth** Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word
