Making Marriage Meaningful Robert Samms Ph D, 2005-08 Have you ever pondered why some troubled marriages succeed while other seemingly fairytale marriages flounder and fail According to Dr Robert O A Samms the key to a successful marriage is not the absence of conflicts or problems but rather the presence of the appropriate strategies to resolve them In *Making Marriage Meaningful* Dr Samms examines the dynamic inner workings of a modern family to determine its strengths and weaknesses as well as its successes and failures All of these elements must be analyzed in order to improve a marriage The real life situations described in the book also give those couples contemplating marriage some very sound principles to ponder *Making Marriage Meaningful* suggests practical workable strategies for couples in troubled marriages and for happily married couples seeking a greater understanding of the marital relationship The book is also helpful for single separated and

divorced people who want to avoid problems in their present or future relationships and who desire to tweak their passion for success Dr Samms includes his personal public and private views on topics such as Commitment Compromise Children Communication Sex Spirituality and much more Based on Dr Samms s own forty year marriage and his comprehensive research Making Marriage Meaningful provides realistic strategies for making your marriage successful **Golden Vows** Karen Toller Whittenburg,2012-07-05 Their love was meant to last a lifetime but tragedy tore them apart Amanda and Dane Maxwell had a marriage made in heaven until their infant son died and grief turned them into strangers When Amanda decided divorce was all that remained for them Dane was left with only one choice He must win back the woman he loved before she was lost to him forever Contemporary Romance by Karen Toller Whittenburg originally published by Dell Candlelight Ecstasy **The Jews as a Chosen People** S. Leyla Gurkan,2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology **Head of the House:** Merelyn Webber,2022-09-15 Much has been written to counter the idea that women should assume leadership roles whether in the church home or workplace Little however has been written to show how in avoiding leadership women might be abnegating their God ordained role as coleaders with men Women who want to know that they are walking in the fullness of God s will for their lives will need to answer this question for themselves is it a sin for women to lead In Head of the House Merelyn Webber addresses the question is it a sin for women to lead She contends that the issue of equal opportunity for women and men to rule needs to be examined soberly by all and not left to the experts to decide Derived from her personal relationship with Jesus her years of experience of marginalization in ministry within the church setting her years of study toward her MDiv and her call to ministry Merelyn offers a Biblical perspective of women in ministry Head of the House is a book about women It is to women and for women It is designed to help them understand for themselves what God and his word have to say about what he intends their roles in society to be *Isaiah and the Twelve* Richard Bautch,Joachim Eck,Burkard M. Zapff,2020-09-21 Die Frage der Beziehung zwischen dem Jesajabuch und dem Buch

der Zwölf Propheten ist angesichts vielfältiger Bearbeitungen sprachlicher und motivischer Art zentral jedoch hinsichtlich der damit verbundenen möglichen Implikationen bislang nur ungenügend bearbeitet. Im Rahmen eines internationalen Kongresses der vom 31. Mai bis 3. Juni 2018 an der Katholischen Universität Eichstätt-Ingolstadt stattfand, suchten Fachleute des Zwölfprophetenbuches bzw. des Jesajabuches mit unterschiedlichen methodischen Ansätzen ein umfassenderes Bild der verschiedenen Arten von Beziehungen oder thematischen Bearbeitungen zu erarbeiten, die entweder für die beiden Corpora als ganze oder für spezifische Teile beider charakteristisch sind, um daraus entsprechende Schlussfolgerungen zu ziehen. Das Ergebnis ist ein Überblick zur Vielfalt der semantischen, intertextuellen, literarischen, redaktionellen, historischen und theologischen Aspekte der Beziehungen zwischen dem Jesajabuch und dem Zwölfprophetenbuch, die einlinigen Lösungsvorschlägen zur Erklärung des Zustandekommens dieser Bezüge widerstreiten.
