Later Collected Verse:

Later Collected Verse Robert William Service, 1965 Contains all the poems in *Carols of an Old Codger* and *Rags from My Riches* verses from his prose writings and a section of previously unpublished rhymes *Robert Service* Enid L. Mallory, 2006 Robert Service's time in the Yukon at first as a transplanted bank clerk and later living off the royalties of poems like *The Shooting of Dan McGrew* and *The Cremation of Sam McGee* is the core of a fascinating life Starving in Mexico residing in a *Robert Service* Enid Mallory, 2011-04-25 In 1907 a shy bank clerk sent a collection of his poems south from the Yukon to be privately published and shared with a small group of friends Fate intervened however and Robert Service became a household name across North America and throughout the British Commonwealth Words were Service's lifelong passion and he set them on many stages But it was his *Dan McGrew* *Sam McGee* and other players of the Great White North who glittered with a golden glow and forever made him the Bard of the Yukon and the de facto Poet Laureate of Alaska Enid Mallory's *Robert Service Under the Spell of the Yukon* sheds new light on the life and career of this intriguing and intensely private man and celebrates the poet's verse This edition includes a selection of some of the most loved Service poems including *The Cremation of Sam McGee* *The Shooting of Dan McGrew* *The Call of the Wild* *The Spell of the Yukon* and *The Ballad of Blasphemous Bill* *Prisoners of the North* Pierre Berton, 2011-03-11 Canada's master storyteller returns to the North to chronicle the extraordinary stories of five inspiring and controversial characters Canada's master storyteller returns to the North to bring history to life *Prisoners of the North* tells the extraordinary stories of five inspiring and controversial characters whose adventures in Canada's frozen wilderness are no less fascinating today than they were a hundred years ago We meet Joseph Boyle the self-made millionaire gold prospector from Woodstock Ontario who went off to the Great War with the word Yukon inscribed on his shoulder straps and solid gold maple leaf lapel badges There he survived several scrapes with rogue Bolsheviks earned the admiration of Trotsky saved Romania from the advancing Germans and entered into a passionate affair with its queen We meet Vilhjalmur Steffansson who knew every corner of the Canadian North better than any explorer His claim to have discovered a tribe of Blond Eskimos brought him world-wide attention and landed him in controversy that would dog him the rest of his life There is John Hornby the eccentric public school Englishman so enthralled with the Barren Grounds where he lived that he finally starved to death there with the two young men who had joined his adventures Berton gives us a riveting account of the contradictory life of Robert Service a world-famous poet whose self-effacement was completely at odds with his public persona And we meet the extraordinary Lady Jane Franklin who belied every last stereotype about Victorian women with her immense determination energy and sense of adventure She travelled more widely than even her famous explorer husband Sir John And her indefatigable efforts to find him after his disappearance were legendary A Yukoner himself Berton weaves these tales of courage fortitude and reckless lust for adventure with a love for Canada's harsh north With his sharp eye for detail and faultless ear for a good story Pierre Berton

Robert W. Service

Robert W. Service, 2012-04-28 The writing of Robert W. Service is mostly known through his poems and ballads. Immortalized by his two iconic ballads, *The Cremation of Sam McGee* and *The Shooting of Dan McGrew*, he has entered the world's imagination as the Bard of the Yukon. But Service was much more than a chronicler of the Great North. A traveller and adventurer who tried his hand at many occupations, Service left a fascinating set of impressions, the successful literary life in the course of which he produced everything from poems and ballads to fictional romance to thrillers and how to stave off the dreary process of aging. Robert W. Service is a fresh selection of the most interesting and significant works of the author with a biographical introduction and a select bibliography of additional readings.

The Promised Land Nicholas

Hagger, 2023-09-27 During a visit to Jordan, Nicholas Hagger stood on Mount Nebo where the prophet Moses stood and looked down on the Promised Land of Canaan that Moses saw shortly before he died. It seemed as if all the kingdoms of the earth were spread out below him: a new Promised Land, a coming World State called for by Dante and Kant and more recently by Truman, Einstein, Churchill, Eisenhower, Gandhi, Russell, J. F. Kennedy and Gorbachev, and Hagger himself in *World State* and *World Constitution*. Combining travelogue and historical reflection, Nicholas Hagger draws on previous visits to the Biblical Middle East and traces the development of his Universalism in his formative years and then in his wilderness years when, like Moses, he spent 40 years in the wilderness setting out Universalism in 60 books and arriving at its ten commandments. He reflects on a remarkable life and its pattern and reaches some conclusions on the Providential nature of its direction and on the European civilisation. Weaving together his wanderings in Arabia and Egypt, his past travels and his writings, he presents a coming democratic, partly federal World State with sufficient authority to abolish war, enforce disarmament, combat famine, disease and poverty, and solve the world's financial, environmental and virological problems, and in a closing vision, a coming Promised Land that, like Moses, he will not live to see. This is a stunning work with a prophetic vision of the future.

Editing

Modernity Dean Irvine, 2008-03-15 The period between 1916 and 1956 was a unique interval in the history of Canadian publishing. During this period, not only were a significant number of non-commercial literary arts and cultural magazines established, but it also happened that an unprecedented number of those involved in the creation and subsequent editing of this new type of magazine were women. Based on extensive new archival and literary historical research, *Editing Modernity* examines these Canadian women writers and editors and their role in the production and dissemination of modernist and leftist little magazines. At once a history of literary women and of the emergent formations and conditions of cultural modernity in Canada, Irvine's study relates women's editorial work and poetry to a series of crises and transitions in modernist and leftist magazine communities to the public hearings and published findings of the Massey Commission of 1949-51 and to the later development of feminist literary magazines and editorial collectives during the 1970s and 1980s. Writers and editors examined in this study include Dorothy Livesay, Anne Marriott, Floris McLaren, P. K. Page, Miriam Waddington, Flora

The Poetry of James Joyce Reconsidered Marc C. Conner, 2012-04-29 To many James Joyce is simply the greatest novelist of the twentieth century Scholars have pored over every minutia of his public and private life from utility bills to deeply personal letters in search of new insights into his life and work Yet for the most part they have paid scant attention to the two volumes of poetry he published The nine contributors to *The Poetry of James Joyce Reconsidered* convincingly challenge the critical consensus that Joyce's poetry is inferior to his prose They reveal how his poems provide entries into Joyce's most personal and intimate thoughts and ideas They also demonstrate that Joyce's poetic explorations of the nature of knowledge sexual intimacy the changing quality of love the relations between writing and music and the religious dimensions of the human experience were fundamental to his development as a writer of prose This exciting new work is sure to spark new interest in Joyce's poetry and will become an essential and indispensable resource for students and scholars of his life and work
