Later Magic:

Later Magic Hoffmann (Professor),1918 **Magical Titbits** , Grimoires Owen Davies,2010 Grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread over the ensuing millennia

The History of Magic Joseph Ennemoser,1854 Joseph Ennemoser 1787 1854 was an Tyrolean doctor and scientist noted for his use of magnetism and hypnosis He was a forerunner of Freud in his belief in the connection between the mind and physical health and his interest in psychology led to investigations into the paranormal He became well known for his presentations about magic delusions and apparently supernatural occurrences He suggested that most of these phenomena appeared miraculous only because of a lack of understanding of the laws of nature The History of Magic was published in Leipzig in 1844 and translated into English in 1854 by William Howitt a leading Spiritualist writer Volume 2 examines Germanic and medieval magic Ennemoser attempts to show how animal magnetism has been partially understood throughout history and relates it to scientific knowledge The editor Mary Howitt has added a collection of accounts of supernatural events which illustrate the topics discussed **Officina Magica** Shaul Shaked,2021-10-25 This book discusses various aspects of the theory and practice of magic in antique cultures around the Mediterranean While some of its contributors address problems of methodology of research into magic and the definition of magic others deal with specific historical and textual issues Although a major focus is on Jewish texts ranging from antiquity to the medieval period the book also includes studies of several magical texts from ancient Mesopotamia and their impact on later magical practice and studies of Greek and Zoroastrian texts and artifacts The approaches thus range from the examination of textual or visual sources to theoretical issues such as the history of research and the definition of magic **M-U-M.** ,1926 **Chicago Magic** David Witter,2013-11-05 By the end of America s Golden Age of Magic Chicago had taken center stage in front of an American audience drawn to the craft by the likes of Harry Houdini and Howard Thurston Cashing in on a craze that rivaled big band mania magic shops and clubs sprang up everywhere across the Windy City packed in customers and put down roots Over the last century for example Magic Inc has outfitted magicians from Harry Blackstone Sr to Penn and Teller to David Copperfield Magic was an integral part of Chicago s culture from its earliest venture into live television to the card sharps and hucksters lurking in its amusement parks and pool halls David Witter keeps track of the shell game of Chicago s fascinating magic history from its vaudeville circuit to its contemporary resurgence The Index Kevin Finn,Preska Thomas,Joseph Berish,2003-10 **Pearl Harbor Attack** United States.
