Laughing Ghost:

The Laughing Ghost Roma Greth, 1950 **The Laughing Ghosts - Salvation of the Slaved Spirits** Dr. Nidhi Sahore, 2021-07-08

The Laughing Ghosts is a realization of the self for Meenu poised to find her own truth of ghosts believed to be meandering around and looking up to her to reveal their side of the story. A stray incidence of violence in the vicinity of grown up Meenu, a mother of two children, pushes her to reflect upon her joyous childhood which she shared with her neighborhood friends and cousins, only to realize that even in those nascent years of her life, women around her were suffering. However, she did find an answer and carried a learning which was kept reserved to her. Each time in her quest as a little girl to find an anchor in a woman from her surroundings to help her identify the very purpose of her existence led to their sad and untimely demise. Not ready to be a slave to the belief of the society attaching a meager and humble purpose to the existence of women, i.e. to only live for others, she tries to find her own answers to the questions which no one cared to ask. Eventually, she gathered the strength to face the reality with the help of goals of self preservation and salvation by looking around and seeking solace from the stories of challenges faced by women very close to her, like her grandmother, mother, and aunts. That made her harbor the value that it is important to step back and consciously quit to gather the strength to withstand the eventualities of life. The ghosts of the guilt haunt only the slaved souls but cannot withstand an indomitable spirit that is determined to find its own truth rather than stand by it to be a part of the laughter of triumph and salvation. Therefore, in the situations of self doubt and enigma, the inevitable reflections from the past help to purposefully connect with the present to find your own answers. This lesson was true then and shall continue to be the truth.

The Laughing Ghost Dorothy Eden, 1943

Old Lynnford Carstairs knew his time was running out; he knew that he had to provide for his headstrong niece Felicity. So he ordained that she marry the son of a distant branch of the family, Lynn Carstairs, within the year or else loses everything. It was perhaps inevitable that Felicity and Lynn should stumble on master criminal Kiffir Pope's plan to smuggle a priceless stolen necklace out of England. Just as they were doomed to perish slowly in the Stygian blackness of the tortuous caverns under the house said to be haunted by an ancient ancestress.
