Laughing Their Way Womens Humor In Ameri:

Laughing Their Way Martha Bensley Bruère, Mary Ritter Beard, 1934 Women's humor in America during the nineteenth and twentieth centuries Verse prose humorous drawings **Laughing Their Way. Women's Humor in America. [An Anthology. With Plates.]** Martha Bensley BRUÈRE (and BEARD (Mary Ritter)), 1934 **Encyclopedia of Women and Gender, Two-Volume Set** Judith Worell, 2001-09-13 Covers the psychology of women the psychology of men and gender differences while discussing psychological differences in personality cognition and behavior as well as biologically based differences and how those differences impact behavior *Charlotte Perkins Gilman* Cynthia Davis, 2010-03-02 Charlotte Perkins Gilman offers the definitive account of this controversial writer and activist's long and eventful life Charlotte Anna Perkins Stetson Gilman 1860 1935 launched her career as a lecturer author and reformer with the story for which she is best known today *The Yellow Wallpaper* She was hailed as the brains of the US women's movement whose focus she sought to broaden from suffrage to economics Her most influential sociological work criticized the competitive individualism of capitalists and Social Darwinists and touted altruistic service as the prerequisite to both social progress and human evolution By 1900 Gilman had become an international celebrity but had already faced a scandal over her divorce and abandonment of her child As the years passed her audience shrunk and grew more hostile and she increasingly positioned herself in opposition to the society that in an earlier more idealistic period she had seen as the better part of the self In her final years she unflinchingly faced breast cancer her second husband's sudden death and finally her own carefully planned suicide she preferred chloroform to cancer and cared little for a single life when its usefulness was over Charlotte Perkins Gilman presents new insights into the life of a remarkable woman whose public solutions often belied her private anxieties It aims to recapture the drama and complexity of Gilman's life while presenting a comprehensive scholarly portrait What's So Funny? Nancy A. Walker, 1998-11-01 Critical studies attempting to define and dissect American humor have been published steadily for nearly one hundred years However until now key documents from that history have never been brought together in a single volume for students and scholars What's So Funny? Humor in American Culture a collection of 15 essays examines the meaning of humor and attempts to pinpoint its impact on American culture and society while providing a historical overview of its progression Essays from Nancy Walker and Zita Dresner Joseph Boskin and Joseph Dorinson William Keough Roy Blount Jr and others trace the development of American humor from the colonial period to the present focusing on its relationship with ethnicity gender violence and geography An excellent reader for courses in American studies and American social and cultural history What's So Funny? explores the traits of the American experience that have given rise to its humor **Look Who's Laughing** Gail Finney, 2014-07-10 First Published in 1994 Look Who's Laughing belies the notion that in a joke the only place for a woman is in the butt Rather than analysing women's humor in isolation Gail Finney and twenty scholars map the terrain that the genders share and the areas that each hold exclusively Their essays investigate witty

heroines sexual parodies domestic humor and romantic power They focus on comic drama and fiction stand up comedy cartoons and film describing the roles gender has played in the creation reception and interpretation of comedy from the sixteenth century to present They consider works by Shakespeare Oscar Wilde Zora Neale Hurston and Virginia Woolf whilst discussing characters such as V I Warshawski Molly Bloom and Elizabeth Bennet The book s emphasis on comedy s diverse sources uncovers critical prejudices and defines new contexts enabling men and women to understand more about each other s attitudes towards humor its means and ends

Women of Humor: A Century of Laughter and Giggles Pasquale De Marco, 2025-04-17 Women of Humor A Century of Laughter and Giggles is a comprehensive and entertaining exploration of the world of women in comedy celebrating the remarkable contributions of female comediennes across the decades From the early days of vaudeville to the modern era of stand up and sketch comedy women have defied stereotypes and broken barriers using their wit and humor to entertain and inspire audiences worldwide This book delves into the fascinating history of women in comedy highlighting the careers of iconic comediennes and examining the evolution of comedy through the ages Readers will journey through the golden age of Hollywood where comediennes like Mae West and Carole Lombard captivated audiences with their comedic brilliance on the silver screen They ll discover the trailblazing women of radio who brought laughter into homes across America during the 1940s and 1950s And they ll meet the stand up superstars of today who are pushing boundaries and challenging perceptions with their hilarious routines This book also explores the challenges and triumphs faced by women in the comedy industry shedding light on the unique obstacles they have overcome to achieve success It examines the impact of their work on society and culture highlighting the ways in which women have used comedy to challenge stereotypes promote understanding and bring about positive change Whether you re a lifelong fan of comedy or simply looking to discover new and exciting voices Women of Humor offers a comprehensive and entertaining exploration of the world of women in comedy So sit back relax and prepare to laugh out loud as we celebrate the remarkable women who have made us smile think and laugh throughout history Inside this book you ll find Detailed profiles of iconic comediennes from the early pioneers to the modern day stars A comprehensive history of women in comedy from vaudeville to stand up and beyond An examination of the challenges and triumphs faced by women in the comedy industry Insights into the impact of women s comedy on society and culture Hilarious anecdotes and quotes from some of the funniest women in history Women of Humor is a must read for anyone who loves comedy history or simply great storytelling It s a celebration of the remarkable women who have made us laugh think and see the world in a new light If you like this book write a review on google books

Women of Ideas Dale Spender, 2024-11-20 Originally published in 1982 with characteristic energy humour and learning Dale Spender traces three hundred years of women s ideas She uncovers not only the ways and words of women but the methods of men While men control knowledge she argues they are in a position to take women s ideas If they like them they use them if they don t they lose them Every fifty years women are required to reinvent the wheel for every

generation of women is initiated into a world in which women's traditions have been denied and buried. Providing convincing evidence that women's absence from the record as creative intellectual beings is not women's fault but men's, Dale Spender claims at least 150 women from the past and suggests how such erasure can be avoided in the future. Given that men take what they want from women's ideas, Dale Spender advocates that women withdraw their labour, that they go on a knowledge strike, for if women cannot control the knowledge they produce, at least they can ensure that it cannot be used as evidence against them. Exposing the inadequacies of much modern male scholarship, the author provides the readers with the opportunity to share in her own discoveries, excitement and mistakes in the process of researching and writing this book. The result is that *Women of Ideas And What Men Have Done to Them* is an ambitious and provocative book which will be used as a reference for many years to come and which is also from beginning to end a stimulating read. **From Catharine**

Beecher to Martha Stewart Sarah A. Leavitt, 2003-04-03 Today's domestic advice writers, women such as Martha Stewart, Cheryl Mendelson and B. Smith are part of a long tradition, notes Sarah Leavitt. Their success rests on a legacy of literature that has focused on the home as an expression of ideals. Here Leavitt crafts a fascinating genealogy of domestic advice based on her readings of hundreds of manuals spanning 150 years of history. Over the years, domestic advisors have educated women about everything from modernism and morality to sanitation and design. Their writings helped create the idealized vision of home held by so many Americans, Leavitt says. Investigating cultural themes in domestic advice written since the mid-nineteenth century, she demonstrates that these works, which found meaning in kitchen counters, parlor rugs and bric à brac, have held the interest of readers despite vast changes in women's roles and opportunities. Domestic advice manuals have always been the stuff of fantasy, argues Leavitt, demonstrating cultural ideals rather than cultural realities. But these rich sources reveal how women understood the connection between their homes and the larger world. At its most fundamental level, the true domestic fantasy was that women held the power to reform their society through first reforming their homes.

Feminism as Life's Work Mary K. Trigg, 2014-06-23 With suffrage secured in 1920, feminists faced the challenge of how to keep their momentum going. As the center of the movement shrank, a small self-appointed vanguard of modern women carried the cause forward in life and work. *Feminism as Life's Work* profiles four of these women: the author Inez Haynes Irwin, the historian Mary Ritter Beard, the activist Doris Stevens and Lorine Pruette, a psychologist. Their life stories, told here in full for the first time, embody the changes of the first four decades of the twentieth century and complicate what we know of the period. Through these women's intertwined stories, Mary Trigg traces the changing nature of the women's movement across turbulent decades: rent by World War, revolution, global depression and the rise of fascism. Criticizing the standard division of feminist activism as a series of historical waves, Trigg exposes how Irwin, Beard, Stevens and Pruette helped push the U.S. feminist movement to victory and continued to propel it forward from the 1920s to the 1960s, decades not included in the wave model. At a time widely viewed as the doldrums of feminism, the women in this book were in fact taking the cause to

new sites the National Women's Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In *Feminism as Life's Work* Irwin Beard Stevens and Pruetta emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U.S. women's movement and emerges with a fresh perspective of the history of this pivotal era

A Woman Making History Mary Ritter Beard, 1991-01-01 Historian social reformer and women's suffrage campaigner Mary Ritter Beard 1876-1958 was one of the most prominent intellectuals of her day Co-author with her husband Charles Beard of *The Rise of American Civilization* and other works in US history she also founded the modern field of women's history This collection of her letters offers in effect an intellectual biography which is considered to be better documented and more vivid than any previous book about her

The History of British Women's Writing, 1920-1945 M. Joannou, 2016-01-03 Featuring sixteen contributions from recognized authorities in their respective fields this superb new mapping of women's writing ranges from feminine middlebrow novels to Virginia Woolf's modernist aesthetics from women's literary journalism to crime fiction and from West End drama to the literature of Scotland Ireland and Wales

The Senses of Humor Daniel Wickberg, 2015-06-18 Why do modern Americans believe in something called a sense of humor and how did they come to that belief Daniel Wickberg traces the cultural history of the concept from its British origins as a way to explore new conceptions of the self and social order in modern America More than simply the history of an idea Wickberg's study provides new insights into a peculiarly modern cultural sensibility The expression sense of humor was first coined in the 1840s and the idea that such a sense was a personality trait to be valued developed only in the 1870s What is the relationship between Medieval humoral medicine and this distinctively modern idea of the sense of humor What has it meant in the past 125 years to declare that someone lacks a sense of humor How is the joke as a twentieth century quasi literary form different from the traditional folktale Wickberg addresses these questions among others using the history of ideas to throw new light on the way contemporary Americans think and speak The context of Wickberg's analysis is Anglo-American the specifically British meanings of humor and laughter from the sixteenth century forward provide the framework for understanding American cultural values in the nineteenth and twentieth centuries The genealogy of the sense of humor is like the study of keywords an avenue into a significant aspect of the cultural history of modernity Drawing on a wide range of sources and disciplinary perspectives Wickberg's analysis challenges many of the prevailing views of modern American culture and suggests a new model for cultural historians

Current Issues in Women's History Arina Angerman, Geerte Binnema, Annemieke Keunen, Vefie Poels, Jacqueline Zirkzee, 2013 This lively collection of essays originally published in 1989 illustrated recent developments in the area with chapters by contributors from many different countries and disciplines

Asking new questions and using sources in a challenging way the contributors reflect 1980s debates about politics and academic research in women s studies They cover a wide range of topics dealing for example with opportunities and obstacles for women within male defined power structures and institutions such as science religious communities and ancient Roman industry They discuss feminists and feminist movements analyse the utterances of women and men in medieval literature and in defamation cases and give insights into the ways femaleness and femininity are given meaning The essays on theory deal with such important issues as women s historiography and androcentrism and ethnocentrism in history

Studies in American Humor ,2002 **Humoring Resistance** Dianna C. Niebylski,2012-02-01 Contextualizing theoretical debates about the political uses of gendered humor and female excess this book explores bold new ways in which a number of contemporary Latin American women authors approach questions of identity and community The author examines the connections among strategic uses of humor women s bodies and resistance in works of fiction by Laura Esquivel Ana Lydia Vega Luisa Valenzuela Armon a Somers and Alicia Borinsky She shows how the interarticulation of the comic and comic grotesque vision with different types of excessive female bodies can result in new configurations of female subjectivity *A Very Serious Thing* Nancy A. Walker,1988 Defines why women have been blocked from participating in the mainstream of American comedy yet have overcome hurdles to produce a humor that is sustaining and spells survival for women in society *Women and the Historical Enterprise in America: Gender, Race and the Politics of Memory* Julie Des Jardins,2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women s participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women s history but also influenced the creation of our national memory in the twentieth century *Laughing Their Way* Martha B. Bruere,Mary R. Beard,1989-01-01 *Liberating Women's History* Berenice A. Carroll,1976 Papers furnishing a review and critique of past work in women s history are combined with selections

delineating new approaches to the study of women in history and empirical studies considering ideological and class factors
