Homilies on the Gospel According to Saint John: And His First Epistle Saint Augustine of Hippo,Aeterna Press, THESE Discourses on St John are assigned by the Benedictine Editors to A D 416 or the following year In favour of an earlier date it might indeed be alleged that the keen controversy against the Donatists which so frequently occurs in these Sermons shews the schism to have been still flagrant when they were preached as in fact in the Homilies on the Epistle of St John delivered in the same year St Austin expressly mentions that the schismatics had still their altar at Hippo quid faciunt in hac civitate duo altaria Whence it might seem that their date must be prior to A D 411 the year of the Conference of Carthage That this however would be too early a date is shewn as the Editors remark by numerous passages in which not only is the doctrine of Predestination put forth as a well understood and most certain truth e g Tr xlv xlviii lxviii lxxxiii cv cxi but there is pointed reference only not by name e g liii lxvii lxxxi lxxxvi to the Pelagian heresy which came into Africa in that same year 411 A distinct note of time however is given in Tract cxx 4 in the mention of the revelatio corporis beatissimi Stephani which in the account written by the Presbyter Lucian is assigned to the close of A D 415 Aeterna Press **A Hebrew and English**

Alexander,2012-11-30

In his first book *Entering The Promised Land* Willies quest to understand how embedded social biases affect business success led to a much broader revelation Religious Scholar by training Willies source for study was biblical Scripture In the course of his research he literally stumbled upon a new methodology for biblical study He named this new tool the Defined Word Approach Much to his surprise by using this tool he found a rich cultural heritage for individuals of African descent hence the title *Entering The Promised Land* In his latest writing *The Real Story of Creation* Willie lays out an entirely new perspective on Creation as recounted in the Holy Bible Using the Defined Word Approach he breaks down the meaning of the classical Hebrew words used to write the Scripture The take away is vastly different from the biblical teachings of the past two centuries Willie feels that using the Defined Word Approach to read and understand the Bible could be the impetus for re energizing religious study and understanding Willie continues to pursue his research and writing while providing leadership and guidance through his service and active participation in industry business and civic associations
