How To Prevent Monster Attacks:

How to Prevent Monster Attacks Dave Ross, David Ross, 1986 A humorous guide to monsters with suggestions on avoiding them and defending yourself against them if attacked *How to Prevent Monster Attacks* Dave Ross, ***Raising Cubby*** John Elder Robison, 2013-03-12 The slyly funny sweetly moving memoir of an unconventional dad's relationship with his equally offbeat son complete with fast cars tall tales homemade explosives and a whole lot of fun and trouble John Robison was not your typical dad Diagnosed with Asperger's syndrome at the age of forty he approached fatherhood as a series of logic puzzles and practical jokes Instead of a speech about the birds and the bees he told his son Cubby that he'd bought him at the Kid Store and that the salesman had cheated him by promising Cubby would do all chores While other parents played catch with their kids John taught Cubby to drive the family's antique Rolls Royce Still Cubby seemed to be turning out pretty well at least until school authorities decided that he was dumb and stubborn the very same thing John had been told as a child Did Cubby have Asperger's too The answer was unclear One thing was clear though By the time he turned seventeen Cubby had become a brilliant and curious chemist smart enough to make military grade explosives and bring federal agents calling With Cubby facing a felony trial and up to sixty years in prison both father and son were forced to take stock of their lives finally accepting that being on the spectrum is both a challenge and a unique gift ***Is It Wrong to Try to Pick Up***
