Mozart even as he offered personal televised pleas for peace and unity At the same time the concerts reflect Bernstein's troubled relationship as a professional musician with the dominance of atonality and his quest to nurture American music Anyone who enjoys the oeuvre of Leonard Bernstein has watched his Young People's Concerts or is passionate about the history of the long sixties will find in *Leonard Bernstein and His Young People's Concerts* a story of all three captured in this monumental study *Leonard Bernstein* Allen Shawn, 2014-09-30 Chronicles the life and career of the composer and musician focusing on his range of musical compositions from *West Side Story* to *Kaddish* *Findings* Leonard Bernstein, 1993 This brilliant and revealing self portrait collects Bernstein's private notes letters essays and musical writings to convey as never before the incredible energy talent and genius of a man who has confirmed the maturity and originality of American music Over 100 photos **On the Road and Off the Record with Leonard Bernstein** Charlie Harmon, 2019-06-18 Celebrating Leonard Bernstein's centenary with an intimate and detailed look at the public and private life of the Maestro written by his former assistant Foreword by Broadway legend Harold Prince An affectionate portrait of an eminent musician who was driven by demons Kirkus Reviews Harmon's personable and warm account of what it was like to work for one of the twentieth century's musical giants casts new light on Bernstein and his world Booklist This multifaceted perspective gives readers plenty of salacious gossip paired with insight into Leonard Bernstein's remarkable artistic achievements later in life Library Journal *On the Road* is a colorfully written unforgettably entertaining and unputdownable book and is available just in time for LB's 100th birthday Unreservedly recommended Fanfare Magazine Leonard Bernstein reeked of cheap cologne and obviously hadn't showered shaved or slept in a while Was he drunk to boot He greeted his new assistant with What are you drinking Yes he was drunk Charlie Harmon was hired to manage the day to day parts of Bernstein's life There was one additional responsibility make sure Bernstein met the deadline for an opera commission But things kept getting in the way the centenary of Igor Stravinsky intestinal parasites picked up in Mexico teaching all summer in Los Angeles a baker's dozen of young men plus depression exhaustion insomnia and cut throat games of anagrams Did the opera get written For four years Charlie saw Bernstein every day as his social director gatekeeper valet music copyist and itinerant orchestra librarian He packed and unpacked Bernstein's umpteen pieces of luggage got the Maestro to his concerts kept him occupied changing planes in Zurich Anchorage Tokyo or Madrid and learned how to make small talk with mayors ambassadors a chancellor a queen and a Hollywood legend or two How could anyone absorb all those people and places Because there was music late night piano duets or the Maestro's command to accompany an audition or by the way the greatest orchestras in the world Charlie did it and this is what it was like told for the first time *Leonard Bernstein in Context* Elizabeth A. **Leonard Bernstein** Barry Seldes, 2009-05-26 From his dazzling conducting debut in 1943 until his death in 1990, Leonard Bernstein's star blazed brilliantly. In this fresh and revealing biography of Bernstein's political life, Barry Seldes examines Bernstein's career against the backdrop of cold war America: blacklisting by the State Department in 1950, voluntary exile from the New York Philharmonic in 1951 for fear that he might be blacklisted, signing a humiliating affidavit to regain his passport, and the factors that by the mid 1950s allowed his triumphant return to the New York Philharmonic. Seldes for the first time links Bernstein's great concert hall and musical theatrical achievements and his real and perceived artistic setbacks to his involvement with progressive political causes. Making extensive use of previously untapped FBI files as well as overlooked materials in the Library of Congress's Bernstein archive, Seldes illuminates the ways in which Bernstein's career intersected with the twentieth century's most momentous events. This broadly accessible and impressively documented account of the celebrity maestro's life deepens our understanding of an entire era as it reveals important and often ignored intersections of American culture and political power.

Leonard Bernstein Paul R. Laird, 2002 Beginning with an introductory essay on his achievements, it continues with annotations on Bernstein's voluminous writings, performances, educational work, and major secondary sources.

Leonard Bernstein and Washington, DC Daniel Abraham, Alicia Kopfstien-Penk, Andrew H. Weaver, 2020 Composer, conductor, activist, and icon of twentieth century America, Leonard Bernstein (1918-90) had a rich association with Washington, DC. Although he never lived there, the U.S. capital was the site of some of the most important moments in his life and work as he engaged with the nation's struggles and triumphs. By examining Bernstein through the lens of DC, this book offers new insights into his life and music from the 1940s through the 1980s, including his role in building DC's artistic landscape, his political and diplomatic aims, his works that received premieres and other early performances in DC, and his relationships with the nation's liberal and conservative political elites. The collection also contributes new perspectives on twentieth century American history, government, and culture, helping to elucidate the political function of music in American democracy. The essays in *Leonard Bernstein and Washington, DC* all newly written by leading authorities situate this important American cultural figure in the seat of United States government. The result is a fresh new angle on Leonard Bernstein, American politics, and American culture in the second half of the twentieth century. Daniel Abraham is Professor of Music at American University. Alicia Kopfstien-Penk is Adjunct Professorial Lecturer at American University and Andrew H. Weaver is Professor of Musicology at The Catholic University of America.
