Faith Development Charles O. Bradshaw,1983 C. E. James Riley Estep,2003 Tangible Grace Evelyn L. Parker,2025-04-29 Evelyn L Parker s Tangible Grace offers professors of homiletics Christian education pastoral care and worship resources to help equip students with an interventionist lens toward teen dating violence The book also is for religious leaders in congregational settings who want to integrate such interventions in their ministries Growing Faith Bruce P. Powers,2003-12-12 Faith development cannot be divided into components Rather it can be likened to the growth of a plant seed root stem leaf bud bloom Each step happens in sequence yet all are dependent on the earlier and continuing phases All phases are the plant the bloom is no more the plant than are the leaves or roots So it is with faith all phases are faith Yet there is a distinct pattern of development from Chapter 1 *Foundations of Ministry* Michael J. Anthony,1998-02-01 Develop an excellent Christian education ministry with this introductory guide from the faculty of Biola University s Talbot School of Theology **Gandhi's Pilgrimage of Faith** Uma Majmudar,2012-02-01 Millions around the world revere Mahatma Gandhi yet only a few know the man Mohandas Gandhi and the internal journey of his soul This pioneering book fills the spiritual void in Gandhian literature by focusing on the soul and the substance of the man Uma Majmudar shows that contrary to popular belief Gandhi s rise to greatness was not meteoric it was rather a continuous process of faith development punctuated by conflicts crises and turning points Using James W Fowler s theory of Stages of Faith as a guide Majmudar undertakes the first developmental study to analyze the fundamental role of faith in transforming Gandhi s life She proposes that the power that nourished Gandhi s soul was his ever growing faith in the ultimate triumph of Truth and in the innate Godliness of the human soul Along with making an invaluable contribution to numerous cross cultural disciplines the book also offers something special to those wishing to embark on their own faith developmental journey guided by Gandhi s example Majmudar wants us to touch and feel Gandhi He is not on a pedestal he is not made of granite or bronze he is warm and vulnerable from the Foreword by Rajmohan Gandhi Women's Faith Development Nicola Slee,2021-11-18 Presenting a rich account of women s faith lives and mapping women s meanings in their own right this book offers an alternative to dominant accounts of faith development which failed to account for women s experience Drawing on Fowler s faith development theory feminist models of women s faith and social science methodology the text explores the patterns and processes of women s faith development and spirituality in a group of thirty women belonging to or on the edges of Christian tradition Integrating practical theological concern with Christian education and pastoral practice this book will be of interest to all concerned with women s faith development spirituality education and formation and those working in the fields of practical theology pastoral care adult theological education spiritual direction and counselling Theology and Narrative Michael Goldberg,2001-10-05 Is the use of narrative as a method of doing theology justified This volume one of the first critical analyses of the subject makes a strong case for such theology Michael Goldberg explores the

notion that all convictions are founded in some narrative and looks at the theological implications of biography and autobiography He does so by considering the works of Carol P Christ James H Cone Joseph Fletcher James Wm McClendon Jr James W Fowler Will D Campbell Elie Wiesel H Richard Niebuhr Hans W Frei Irving Greenberg and others After carefully examining the meaning truth and rationality of narrative theology Goldberg summarizes its validity and describes ways that narrative might be used for theology in the future Forming Deacons William T.
