Five Get Into A Fix Paperback:

Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and still holds a fascination for readers old and young alike. Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even by members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and in many ways childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and with the addition of new colour illustrations and a comprehensive list of Enid Blyton's writings documents the growing appeal of this extraordinary woman throughout the world. The fascinating story of one of the world's most famous authors will intrigue and delight all those with an interest in her timeless books. [The Book Lover's Quiz Book 2](#) Gary Wigglesworth, 2023-10-05

Put your bookworm reputation on the line and prove your literary knowledge with this collection of quizzes for book whizzes. Book lovers can answer questions by themselves or host a quiz among friends with twenty-four quizzes to keep you guessing with a variety of question styles including Blankety Books where you must fill in the missing word in each title, Anagrams to decipher Two of a Kind where you must identify a character and author who share the same initials, Guess the book with Say What You See pictures and badly drawn covers, Book Bingo. The quizzes are carefully weighted so avid bookworms will get a workout while more casual readers can still have lots of fun having a go. All questions are designed to aid guessing with multiple choice answers and hints and make the reader smile with amusing wrong answers, clever red herrings, little-known facts and footnotes. **Enid Blyton's Famous Five** Clive Gifford, 2014-09-04

What is the name of the first book in the Famous Five series? Who is NOT a member of the Five? Julian, Nora or Anne? What does George's father do for a living? So you've read the books maybe more than once but how much do you really know about the adventures of the Famous Five? Revisit their best moments and meet all your favourite characters again in this brilliant quiz book. **Proditor : Book 5 of the Heku Series**, **Ingles. Cuerpo de Maestros. Enid Blyton Andrew Maunder, 2021-12-02 This book is a study of the best-selling writer for children Enid Blyton 1897-1968 and provides a new account of her career. It draws on Blyton's business correspondence to give a fresh account of a misunderstood figure who for forty years was one of Britain's most successful and powerful authors. It examines Blyton's rise to fame in the 1920s and considers the ways in which she managed her career as a storyteller, journalist and magazine editor. There is discussion of her most famous series including the Famous Five, the Secret Seven, Malory Towers and Noddy, but attention is also given to lesser-known works including the family stories she published to acclaim in the 1940s and early 1950s as well as her attempts to become a dramatist. The book also discusses Blyton's fluctuating critical reputation, how she and her works were received and how Blyton the person has fared at the hands of biographers and the media. [Chasing](#)

Twenties "A book on how to get into the tool truck business" Rick Murray,2020-10-01 This book is set up for you to understand and be successful in the industry of mobile tool sales Together we ll go over one of the most interesting subjects of my life the tool business and whether or not you should invest your time and hard earned money into this field of work With 10 years as a mobile tool dealer in a major flagship company I give you my insight into the business So is the tool business worth it or not With a mind boggling 276 million registered cars in the US and growing at a rate of 2 7 percent each year the industry is increasing Every type of vehicle needs service in one shape or another to stay on the road This creates demand for repair facilities and employment for the modern day mechanic who needs to be armed with an array of equipment to take care of the modern day car at hand From hand tools to diagnostic scanners they need to be supplied and supported Unfortunately it s not an easy yes or no question but one with a very winding path with a lot of pitfalls and misconceptions of the business I m here to give you my decade long experience in the business and what it s all about You ll get a perspective not shared with many people You ll get to see if this is a viable path for you I say that because this is a definite option for a life path but it s an all encompassing business that can give you the highest highs and lowest lows We re going to go over how the business operates how to find a business for sale how to make an offer on the business and then how to successfully run a tool truck I ve added many insider tips that some dealers who are currently in the business need to learn themselves This includes the discovery of a business for sale to the purchase of the business and then I take you through the metrics of the business from what it costs to start and maintain it to the almighty question of how much will I make

David Bowie, Enid Blyton and the sun machine Nicholas Royle,2023-12-05 In this one of a kind book novelist and academic Nicholas Royle brings together two remarkably different creative figures Enid Blyton and David Bowie His exploration of their lives and work delves deeply into questions about the value of art music and literature as well as the role of universities in society Blending elements of memoir and cultural commentary Royle creates a tender and often hilarious portrait of family life during the pandemic weaving it together with musings on dreams second hand bookshops and unpublished photos of Bowie taken by Stephen Finer He also shares previously unrecorded details about Blyton s personal life notably her love affair with Royle s grandmother David Bowie *Enid Blyton and the sun machine* offers a singular perspective on the cultural significance of two iconic figures In doing so it makes a compelling case for the power of storytelling and music to shape our lives

Nineteenth-Century Fictions of Childhood and the Politics of Play Michelle Beissel Heath,2017-09-18 Drawing evidence from transatlantic literary texts of childhood as well as from nineteenth and early twentieth century children s and family card board and parlor games and games manuals *Nineteenth Century Fictions of Childhood and the Politics of Play* aims to reveal what might be thought of as playful literary citizenship or some of the motivations inherent in later nineteenth and early twentieth century Anglo American play pursuits as they relate to interest in shaping citizens through investment in good literature Tracing play as a societal and historical construct as it surfaces

time and again in children's literary texts as well as children's literary texts as they surface time and again in situations and environments of children's play this book underscores how play and literature are consistently deployed in tandem in attempts to create ideal citizens even as those ideals varied greatly and were dependent on factors such as gender ethnicity colonial status and class

Reading Enid Blyton Philip Gillett, 2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers New editions of her work have been published regularly since her death in 1968 Recently there have also been stage and television adaptations of her Malory Towers books while other authors have continued to write stories based on her characters There are also Famous Five parodies which rely on readers' familiarity with the series A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children *Reading Enid Blyton* places the author's work in its cultural and historical context The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared
