Insanity's Song R. M. Dombross, Deana Link, 2006-07-01 What if The basis on which all stories are told What if vampires were once real What if they had a strict biological need for castes Insanity is such a child torn from her home family and friends she faces the challenge of being the head of a family she is too young to command Born to parents at the top of the caste system Insanity knows little of hardship until her family is attacked her security challenged She is forced to accept a new name a new Na Kep and to deal with a traumatic shock that leaves her nearly dead Beside her through all of this is Grey who has his own ghosts to deal with Yet he must somehow find a way to help Insanity through her own pain so that she can start the fight to reclaim her Family
