## Hello Vicar:

**The Vicar's Dog** Bode Meshioye, 2021-07-27 Secrets long buried come to light as everyone question their understanding of justice faith and destiny Those who have faced the darkness know how to cherish the grace of moonlight In the heart of sub Saharan African town where the balance of power teeters between the monarch and the priestly order a single act of youthful folly ignites a cascade of revelations and consequences As two youths grapple with the potential of a deadly curse their community is thrown into turmoil The kingdom s spiritual leader the Vicar and the traditional ruler must navigate this crisis while confronting their own pasts and the true power of their beliefs Amidst the chaos secrets long buried come to light forcing everyone to question their understanding of justice faith and destiny *Josh Ian Smith, 2010-12-04* A series of radio scripts that provide an alternative re telling of the Jesus story with a contemporary storyline that avoids everything familiar The story of Josh Davidson and his unlikely companions threatened by a hostile state and corrupt church has all the essentials but might be unrecognisable as a version of the Gospel narratives But it s still a ripping yarn in its own right Copious notes explain the historical and theological background to the plays and how they were written **Godsons** Paul Gait, 2020-01-21 It all started so well with the lovely Christening in the ancient church but then things started going downhill Someone was spying on the christening party as they left the church Then it got worse A disputed will has triggered kidnap ransom arson and murder Who s behind the blood lust Surely the chief suspect is dead Ben carrying a knife is strictly a no no so how does it become a life saver Can Nadine survive her nightmare visit to the UK challenging Geoffery Foster s will An overstretched police force is being led a merry dance as suspicions fall on THAT WOMAN **The Sixsmiths - V1 #2** Jason Franks, 2020-04-26 If your crossed The Simpsons with The Osbournes you would get The Sixsmiths The Sixsmiths are a family of suburban Satanists who ve fallen prey to the global recession Now their life is in turmoil the father Ralf needs to find a new job the twins Cain and Lilith need to survive the horrors of the public school system and wife Annie needs to keep them all sane and under budget Meanwhile their estranged elder daughter Jezabelle is having her own crisis of faith Will the Devil rise to smite their enemies or will he damn them with hellfire wrath and an underwater mortgage payment A lighthearted comedy for adults THIS ISSUE Annie seeks counseling from the Vicar Melmoth and this is conducted in the customary way for Modern Orthodox Satanists during intercourse Melmoth counsels Annie to find some space for herself as well as her family As Cain and Mary join the school s jazz ensemble Lilith and Julius go on a date And Ralf receives an unexpected phone call from ex coworker Vicky but he shrugs her off he is on a mission to enroll for unemployment benefits This is a great book and the creators should be proud of themselves I believe it is one of the breakthrough graphic novels coming from a new age of Australian comics Black Mermaid Productions Franks paces the narrative deftly when it could have easily fallen quickly into the mundane and gives each character simple but effective motivations Schmidt s uncluttered artwork provides all the detail necessary and compliments Franks story well Expressions are varied conveying characters feelings excellently and all

characters are distinctly recognizably The artwork is in some way reminiscent of more animated cartoon production such as Beavis and Butthead King of the Hill and more recently Ugly Americans In fact I could see The Sixsmiths translating to the animated cartoon medium without much trouble at all Satan willing Mapping the Universe com A Caliber Comics release
