that everything will work out fine for Charlotte and the baby these things usually do Now if only she could put the pieces of her own fragmented memory together she might have an interesting tale or two to share In this wickedly funny disarmingly moving novel three generations of mothers learn that it s the simplest mistakes that can change your life forever With wit and wisdom Kate Long proves that there are as many kinds of mothers as there are daughters but the love that binds them all is what truly matters

*Montecore* Jonas Hassen Khemiri, 2011-03-01 At the start of this dazzlingly inventive novel from Jonas Hassen Khemiri Abbas a world famous photographer and estranged father to a young novelist also named Jonas Hassen Khemiri is standing on a luxurious rooftop terrace in New York City He is surrounded by rock stars intellectuals and political luminaries gathered to toast his fiftieth birthday And yet how did Abbas a dirt poor Tunisian orphan and Swedish migr come to enjoy such success Jonas is fresh off the publication of his first novel when answers to this question come in the form of an unexpected e mail from Kadir a lifelong friend of Abbas and an effervescent storyteller with delightfully anarchic linguistic idiosyncrasies The portrait Kadir paints of Abbas from a voluntarily mute boy who suffers constant night terrors to a soulful young charmer to a Swedish immigrant and political exile proves to be vastly different
