From My Heart Dr Neil Hawkes, 2013-09-01 Values Education is the philosophy and practice that inspires both children and adults to be the best that they can be After all we are all growing and it is not only our children that can benefit from education and development but adults too In his constant bid for better education author Dr Neil Hawkes advocates a positive mental attitude which aims to empower young people with a sense of their own future and their potential to shape it according to their own purpose Neil discusses the benefits of caring for yourself and others as well as providing medical evidence to support these ideas He contextualises his philosophy by demonstrating ways in which teachers parents and pupils can use it to create a happier and more productive learning environment by raising their self awareness and self confidence

Pure Moments: Poems and short stories from a woman's heart Cheryl Bippus, 2017-11-07 Pure Moments is a book of just that Moments in life that I don t want to forget or experiences that God spoke to me through over the years Sometimes I would sense the Holy Spirit telling me to write in the middle of the night The words would come and I knew it wasn t me However it usually had to do with something I was going through at the time things like motherhood parenting grieving and marriage These words would

just flow onto the paper I pray these poems remind us of how special moments can be Whether it is in good times or bad God will always be there for us They may be words you want to pass on or express however didn't know how Words that will encourage you in your journey It's those moments in life that are precious We just need to take the time to notice and capture them God will bring us through bless us with beauty give us wisdom or comfort us when we need it For the joyful moments that come that we want to remember or the times when you need to know someone else felt that way too May these poems bless you and speak to your heart as they did mine God bless you Helping Relationships With Older Adults Adelle M. Williams, 2016-06-29 *Helping Relationships with Older Adults* From Theory to Practice examines the fundamental theoretical perspectives of the aging process with an emphasis on the healthy aspects of aging Taking a comprehensive approach author Adele Williams addresses various therapeutic methods as she highlights the strengths and resiliency of the older population Exercises and case studies demonstrate key concepts and promote skill development by allowing students to experience the various challenges in the lives of older clients From the Heart Photos and Poetry Selena Millman, 2009-01-01 heartfelt poetry with photos **FDA Consumer**, 1991 *Improving Outcomes in Chronic Heart Failure* Simon Stewart, Lynda Blue, 2008-04-15 Heart failure is a condition that often results in chronic tiredness and shortness of breath It also requires complex nursing and medical treatment especially after a hospital admission which is all too frequent for persons with heart failure This book describes and discusses the latest research concerning the benefits of having specially trained nurses manage the care of patients with heart failure after they have been discharged from hospital to their own home Leading nurses and doctors from around the world discuss their experiences with this type of innovative and effective care program Building upon these experiences the book also contains a practical guide to developing this type of care program into a fully functional service that provides quality care to those patients admitted to hospital with heart failure **Preventing & Reversing Heart Disease For Dummies** James M. Rippe, 2015-01-06 The safe and trusted way to prevent and reverse heart disease Written in plain English and packed with tons of authoritative advice Preventing Reversing Heart Disease For Dummies includes the most up to date information on coronary heart disease and its treatment This resource covers new ways to diagnose and treat both short and long term complications of heart disease the latest medications updated diet and exercise plans the lowdown on recognizing the risk factors and warning signs of a heart attack determining if you have heart disease distinguishing between angina heart attack and stroke and much more It is projected that by the year 2020 heart disease will be the leading cause of death throughout the world As the magnitude of cardiovascular diseases continue to accelerate globally the pressing need for increased awareness and a stronger more focused national and international response has become more important than ever Preventing Reversing Heart Disease For Dummies tackles this vital subject with compassion and authority outlining the steps you can take to help ensure you don't become just another statistic Helps you find the right doctor and handle a managed care plan Covers all thirteen types of

heart disease and discusses the key differences that may determine their progression and treatment Illustrates how simple changes in diet may be enough to prevent heart disease Shows how you can reverse some of the effects of heart disease through exercise If you're suffering from or are at risk of heart disease or love someone who is Preventing Reversing Heart Disease For Dummies empowers you to take control of heart health and get on a path to a longer healthier life **Clean of Heart** Rosemarie Scott, 2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins **Cholesterol in Atherosclerosis and Coronary Heart Disease** Jean P.

Kovala, 2005 Cholesterol is a soft waxy substance found among the lipids fats in the bloodstream and in all the body's cells It's an important part of a healthy body because it's used to form cell membranes some hormones and is needed for other functions But a high level of cholesterol in the blood hypercholesterolemia is a major risk factor for coronary heart disease which leads to heart attack Cholesterol and other fats can't dissolve in the blood They have to be transported to and from the cells by special carriers called lipoproteins There are several kinds but the key ones are low density lipoprotein LDL and high density lipoprotein HDL Low density lipoprotein is the major cholesterol carrier in the blood If too much LDL cholesterol circulates in the blood it can slowly build up in the walls of the arteries feeding the heart and brain Together with other substances it can form plaque a thick hard deposit that can clog those arteries This field is alive with exciting new research in all areas including frontal advances in the areas of managing cholesterol as well as cholesterol lowering drugs This new book focuses on cholesterol in atherosclerosis and coronary heart disease **Heart Health.
